

**STATE OF RHODE ISLAND
RHODE ISLAND DEPARTMENT OF HEALTH**

**ELIZABETH M. TANNER, ESQ.
IN HER CAPACITY AS CHAIR OF THE
RHODE ISLAND COVID-19 ENFORCEMENT
TASK FORCE**

**IN THE MATTER OF:
Metro PCS
324 Warren Avenue – East Providence
Violations of Executive Orders and
RI Department of Health Regulations**

NOTICE OF VIOLATION AND COMPLIANCE ORDER

Now comes the Chair (the “Chair”) of the Rhode Island COVID-19 Enforcement Task Force (“Task Force”) and pursuant to R.I. Gen. Laws § 23-1-20, Executive Order 20-32, Executive Order 20-40, Executive Order 20-67, and Rhode Island Department of Health (“RIDOH”) regulation 216-RICR-50-15-7 (the “Safe Regulations”), determines that there are reasonable grounds to believe that Metro PCS (“Respondent”) is in violation of Executive Orders and/or the Safe Regulations, and provides notice thereof.

REASONABLE GROUNDS FOR DETERMINATION OF VIOLATION

- I. Respondent is a critical retail establishment located at 324 Warren Avenue in East Providence.
- II. Respondent is a covered entity as defined in the Safe Regulations. As such, the Respondent is required to comply with applicable Executive Orders and the Safe Regulations.
- III. On or about August 18, 2020 a Task Force inspector conducted a Healthy Environment inspection of the Respondent. The inspector met with the manager and performed a checklist inspection

based on the Safe Regulations and determined that Respondent scored a 3/11 for overall requirements. In response, the inspector provided information and resources to the Respondent to help it achieve full compliance. This included a recommendation to the Respondent on how to access www.ReopeningRI.com and the relevant websites for the Executive Orders, rules, regulations, and guidance. The Respondent was also advised that an inspector would conduct a reinspection in the near future.

- IV. On or about August 24, 2020, the same Task Force inspector conducted a reinspection of the Respondent. The inspector met with the manager and again performed a checklist inspection based on the Safe Regulations. The inspector determined that the Respondent scored a 5/11 for overall requirements.
- V. Therefore, as a result of the Respondent's continued failure to comply with applicable Executive Orders and the Safe Regulations, and in the absence of any other information to rebut the allegations above, RIDOH has drawn the conclusion that the above allegations are true, and the Respondent is not in compliance with applicable Executive Orders and/or the Safe Regulations.

ALLEGED VIOLATIONS

The following alleged violations stem from the August 24, 2020 reinspection.

- I. Respondent is in violation of Section 7.4.1(A)(3) of the Safe Regulations, which requires all individuals in an establishment to wear cloth face coverings unless physical distancing or an exception applies and requires establishments to deny entry to any employee, who is not otherwise exempt from the requirement or who refuses to wear a cloth face covering when required. The inspector observed three (3) employees in the store, two (2) of which, including the manager, were not wearing a cloth face covering.
- II. Respondent is in violation of Section 7.4.1(A)(1) of the Safe Regulations, which requires each covered entity to develop, maintain, and ensure compliance with a written plan for the safe

operation of the establishment. Upon request, Respondent admitted that it did not have a written plan.

- III. Respondent is in violation of Section 7.4.1(A)(8) of the Safe Regulations, which requires all covered entities to maintain an employee work log that identifies the full name, phone number, and the date and time of all shifts worked by each employee. This work log must be maintained for at least thirty (30) days. Upon request, Respondent admitted that it did not maintain an employee work log.
- IV. Respondent is in violation of Section 7.4.1(A)(6) & (7) of the Safe Regulations, which requires each covered entity to ensure the performance of environmental cleaning of their establishments once per day and to maintain records documenting such environmental cleaning. Upon request, the Respondent admitted that it did not maintain the required cleaning records.
- V. Respondent is in violation of Section 7.4.1(A)(2) of the Safe Regulations, which requires each covered entity to implement and ensure compliance with screening of all individuals entering its establishment(s) at any time for any reason. Upon inquiry, the Respondent admitted that it did not conduct entry screening. The inspector observed several customers enter the store, none of which were screened by the Respondent. In addition, there were no posters visible at or near the entrance concerning entry screening.
- VI. Respondent is in violation of Section 7.4.1(A)(4) of the Safe Regulations, which requires each covered entity to ensure the placement of posters or signs at entry to its establishments educating any individual at the establishment concerning entry screening, required physical distancing, use of cloth face coverings, and other subjects as provided in guidance issued by RIDOH. Inspectors observed that required posters were absent from the entry to the establishment and concluded, therefore, that the Respondent failed to ensure the placement of required posters.

ORDER

It is hereby ORDERED, that on or before the tenth (10th) day from service of this Notice of Violation and Compliance Order, Respondent shall remedy the above cited violations and come into full compliance with applicable Executive Orders and Regulations, by fulfilling the conditions as set forth below:

- I. Respondent shall require all employees in its establishment to wear cloth face coverings unless physical distancing can be continuously maintained, or an exception applies. In accordance with Section 7.4.1(3)(a) of the Safe Regulations, Respondent shall deny access to its establishment to any employee who refuses to wear a cloth face covering when required by the Safe Regulations unless an exception applies.
- II. Respondent shall develop, maintain, and ensure compliance with a written plan for the safe operation of the establishment.
- III. Respondent shall maintain an employee work log that identifies the full name, phone number, and the date and time of all shifts worked by each employee. This work log must be maintained for at least thirty (30) days.
- IV. Respondent shall ensure the performance of environmental cleaning of its establishment once per day and maintain records documenting such environmental cleaning.
- V. Respondent shall implement and ensure compliance with screening of all individuals entering its establishment(s) at any time for any reason.
- VI. Respondent shall ensure the placement of posters or signs at entry to its establishment educating any individual at the establishment concerning entry screening, required physical distancing, use of cloth face coverings, and other subjects as provided in guidance issued by RIDOH.

Failure to comply with this ORDER may result in the imposition of civil fines, the issuance of an immediate compliance order, and/or any other action authorized by regulation, the Act, or other applicable law.
