

**STATE OF RHODE ISLAND
RHODE ISLAND DEPARTMENT OF HEALTH**

**ELIZABETH M. TANNER, ESQ.
IN HER CAPACITY AS CHAIR OF THE
RHODE ISLAND COVID-19 ENFORCEMENT
TASK FORCE**

**IN THE MATTER OF:
Migz Wireless
Violations of Executive Orders and
RI Department of Health Regulations**

NOTICE OF VIOLATION AND COMPLIANCE ORDER

Now comes the Chair (the “Chair”) of the Rhode Island COVID-19 Enforcement Task Force (“Task Force”) and pursuant to R.I. Gen. Laws § 23-1-20, Executive Order 20-32, Executive Order 20-40, Executive Order 20-58, and Rhode Island Department of Health (“RIDOH”) regulation 216-RICR-50-15-7 (the “Safe Regulations”), determines that there are reasonable grounds to believe that Migz Wireless (“Respondent”) is in violation of Executive Orders and/or the Safe Regulations, and provides notice thereof.

REASONABLE GROUNDS FOR DETERMINATION OF VIOLATION

- I. Respondent is a critical retail establishment located at 747 Broad Street in Central Falls.
- II. Respondent is a covered entity as defined in the Safe Regulations. As such, the Respondent is required to comply with applicable Executive Orders and the Safe Regulations.

- III. On or about August 10, 2020, a Task Force inspector met with owner Miguel Gonzalez (“Owner”) and conducted a Healthy Environment inspection of the Respondent. The inspector performed a checklist inspection based on the Safe Regulations and determined that Respondent scored a 5/11. In response, the inspector provided information and resources to the Respondent to help it achieve full compliance. This included a recommendation to the Respondent on how to access www.ReopeningRI.com and the relevant websites for the Executive Orders, rules, regulations, and guidance. The Respondent was also advised that an inspector would conduct a reinspection in the near future.
- IV. On or about August 14, 2020, a different Task Force inspector conducted a reinspection of the Respondent. The inspector met with Owner and performed a checklist inspection based on the Safe Regulations. The inspector determined that the Respondent again scored a 5/11. The inspector also noted in her report that it did not appear that the Respondent had any intention of achieving compliance with applicable Executive Orders and the Safe Regulations.
- V. Therefore, as a result of the Respondent’s continued failure to comply with applicable Executive Orders and the Safe Regulations, and in the absence of any other information to rebut the allegations above, RIDOH has drawn the conclusion that the above allegations are true, and the Respondent is not in compliance with applicable Executive Orders and/or the Safe Regulations.

ALLEGED VIOLATIONS

The following alleged violations stem from the August 15, 2020 reinspection.

- I. Respondent is in violation of Section 7.4.1(A)(1)(f) of the Safe Regulations, which requires the designation of a point of contact who is familiar with the applicable Executive Orders and the Safe Regulations, and who will work with the Department on testing, contact tracing, case investigation, isolation and quarantine follow up. Based on the conversation had with Owner, in which the Owner displayed a lack of familiarity with the regulations, the inspector concluded that

Respondent did not have a point of contact who was familiar with applicable Executive Orders and the Safe Regulations.

- II. Respondent is in violation of Section 7.4.1(A)(1) of the Safe Regulations, which requires each covered entity to develop, maintain, and ensure compliance with a written plan for the safe operation of the establishment. Upon request, Respondent admitted that they did not have a written plan.
- III. Respondent is in violation of Section 7.4.1(A)(6) & (7) of the Safe Regulations, which requires each covered entity to ensure the performance of environmental cleaning of their establishments once per day and to maintain records documenting such environmental cleaning. Upon request, the Respondent admitted that it did not maintain the required cleaning log.
- IV. Respondent is in violation of Section 7.4.1(A)(2) of the Safe Regulations, which requires each covered entity to implement and ensure compliance with screening of all individuals entering its establishment(s) at any time for any reason. Upon inquiry, the Respondent admitted that it did not conduct entry screening.
- V. Respondent is in violation of Section 7.4.1(A)(4) of the Safe Regulations, which requires each covered entity to ensure the placement of posters or signs at entry to its establishments educating any individual at the establishment concerning entry screening, required physical distancing, use of cloth face coverings, and other subjects as provided in guidance issued by the Department. Inspectors observed that required posters were absent from the entry to the establishment and concluded, therefore, that the Respondent failed to ensure the placement of required posters.
- VI. Respondent is in violation of Section 7.4.1(A)(5) of the Safe Regulations, which requires all covered entities to ensure that their establishments have their restrooms open, and that they have running water and are stocked with hand soap. If access to restrooms or running water is limited, the establishment shall ensure ready access to hand sanitizer at all times. Upon observation, the

Respondent did not have its restrooms open and did not have ready access to hand sanitizer available.

- VII. Respondent is in violation of Section 7.4.1(A)(1)(a) of the Safe Regulations, which requires establishments to ensure compliance with a plan that includes procedures relative to, among other things, physical distancing at all times, to the extent feasible, and additional measures to be taken in high traffic, communal, or other areas where physical distancing is not feasible. As stated, above, Respondent admitted to not having the required plan and the inspector observed that there were no measures in place to ensure that physical distancing was maintained.

ORDER

It is hereby ORDERED, that on or before the tenth (10th) day from service of this Notice of Violation and Compliance Order, Respondent shall remedy the above cited violations and come into full compliance with applicable Executive Orders and Regulations, by fulfilling the conditions as set forth below:

- III. Respondent shall ensure the performance of environmental cleaning of its establishment once per day and maintain records documenting such environmental cleaning.
- IV. Respondent shall implement and ensure compliance with screening of all individuals entering its establishment(s) at any time for any reason.
- V. Respondent shall ensure the placement of posters or signs at entry to its establishment educating any individual at the establishment concerning entry screening, required physical distancing, use of cloth face coverings, and other subjects as provided in guidance issued by RIDOH.

- VI. Respondent shall ensure that its establishment has its restroom open, and that they have running water and are stocked with hand soap. If access to restrooms or running water is limited, the establishment shall ensure ready access to hand sanitizer at all times.
- VII. Respondent shall ensure compliance with its plan for safe operation, required pursuant to Section 7.4.1(A)(1) of the Safe Regulations, including compliance with, among other things, procedures consistent with the Safe Regulations relative to physical distancing at all times, to the extent feasible, and to include additional measures to be taken in high traffic, communal, or other areas where physical distancing is not feasible.

Failure to comply with this ORDER may result in the imposition of civil fines, the issuance of an immediate compliance order, and/or any other action authorized by regulation, the Act, or other applicable law.
