## **Industry Alert 2017-1**

### **Insurance Producer, Adjuster and Appraiser Renewal Reminder Notices**

Rhode Island will discontinue the practice of mailing reminder notices of license renewals on March 1, 2017. For all renewals after March 1, 2017 licensees will receive an email renewal notice.

Licensees are reminded that it is their obligation to keep their contact information, including email addresses, current. Failure to receive a renewal reminder notice does not excuse the licensee from the obligation to renew the license. Licenses may be reinstated with the payment of an additional fee but only if the reinstatement application is made with one year of the expiration. More than one year after renewal, the applicant will have to apply for a new license.
