(B) Use of Estimates in the Preparation of the Financial Statements

The preparation of the financial statements in conformity with Statutory Accounting Principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities. It also requires disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

(C) Accounting Policies

Investment Income and Declines in Fair Value

The Company periodically reviews its bonds and common stocks to determine whether a decline in fair value below the amortized cost basis is other than temporary. The process for identifying declines in the fair value of investments that are other than temporary involves consideration of several factors. These factors include (1) the period in which there has been a significant decline in value; (2) an analysis of the liquidity, business prospects, and overall financial condition of the issuer; (3) the significance of the decline; and (4) our intent and ability to hold the investment for a sufficient period for the value to recover. When our analysis of the above factors results in the conclusion that declines in fair values are other than temporary, the cost of the securities is written down to fair value and is reflected as a realized loss.

NOTES TO FINANCIAL STATEMENTS

Bonds

Bond investments are stated at amortized cost and consist of United States Treasury and government agency securities as well as "Investment Grade" corporate notes with fixed rates and maturities. Interest income is accrued as earned. The Company has both the intent and ability to hold these securities until maturity and, accordingly, has categorized these investments as "held-to-maturity" securities. As a result, unrealized gains and losses are excluded from net income.

Common Stocks - - Investments in Subsidiaries

The accompanying financial statements of Delta Dental of Rhode Island include the common stock investments of its wholly owned subsidiary, The Altus Group, Inc. Another subsidiary, Altus Realty, Inc. is a non-profit real estate holding company and is reported on Schedule BA. The values of these investments are reported using the equity method.

The income and expenses of Altus Realty Company and The Altus Group, Inc. are combined such that the net change for the year is included in "Net unrealized capital gains and losses" on line 36 in the Statement of Revenues and Expenses.

The Company contracts with an independent investment advisor to separately manage a portion of the Company's investment portfolio. As a result of this arrangement, common stocks of nonaffiliated companies were added to the Company's investment portfolio beginning in 2004. These common stocks, including investments in mutual funds, are valued at market as they are categorized as "available-for-sale" securities.

Claims and Claims Adjudication Expenses

The estimated liability for claims incurred but unpaid is actuarially determined based on an analysis of historical claims experience, modified for changes in enrollment, inflation and benefit coverage. The estimated liability for accrued claims adjudication expense represents the anticipated cost of processing claims incurred but unpaid at the balance sheet date. The estimates for claims and claims adjudication expenses may be more or less than the amount ultimately paid. Such changes in estimates are reflected in current period operations.

Additionally, in accordance with NAIC guidelines, the following accounting policies are either utilized or are not applicable to the company.

1. Short term investments are stated at cost.
2. Bonds are stated at amortized value using the constant yield / scientific method.
3. Common stocks in our investment portfolio are stated at market value. In accordance with NAIC guidelines, money market mutual funds are reported as Common Stocks on Schedule D and the Balance Sheet.
4. The company does not own preferred stocks; hence this accounting policy is not applicable.
5. The company does not have mortgage loans directly; hence this accounting policy is not applicable. One of the company's subsidiaries, Altus Realty, owns the building and had mortgage debt associated with the company office facility. This debt was paid off in 2014.
6. Loan-backed securities are stated at amortized value using the constant yield / scientific method.
7. Investments in subsidiaries, controlled and affiliated entities are reported using the equity method.
8. Investments in joint ventures, partnerships and limited liability companies are valued based on quarterly and annual reports supplied by the joint venture.
9. The company does not own derivatives; hence this accounting policy is not applicable.
10. The company does utilize anticipated investment income as a factor in the premium deficiency calculation.
11. The company methodologies for estimating the liabilities for losses and loss/claim adjustment expenses are actuarially derived as described above.

NOTES TO FINANCIAL STATEMENTS

12. The capitalization policy and the predefined thresholds did not change from the prior period.
13. The company does not use pharmaceutical rebate receivables; hence this accounting policy is not applicable.

D) Going Concerns

There are no conditions or events that raise substantial doubt about the Company's ability to continue as a going concern.

NOTE 2 - - ACCOUNTING CHANGES AND CORRECTION OF ERRORS

The financial statements included in this filing do not contain any items that resulted from corrections of errors. Beginning with the December 31, 2001 annual filing the Company implemented the Codification of the NAIC Accounting Practices and Procedures Manual. This included the adoption of the Statement on Statutory Accounting Principles (SSAP) # 47 "Uninsured Plans".

SSAP 47 requires the exclusion of uninsured plan business for both premiums earned and claims incurred in the Statement of Revenues and Expenses. The Company has identified its Administrative Service Business (ASC), where the account, not Delta Dental of Rhode Island, has assumed the overall risk for the claims incurred and removed these components from both premiums earned and claims incurred in these 2017 and 2016 financial statements and the associated supporting exhibits. The administrative expenses reimbursed from ASC business is reported in the Annual Statement as "reimbursements by uninsured accident and health plans" in the Underwriting and Investment Exhibit Part 3 - Analysis of Expenses.

NOTE 3 - - BUSINESS COMBINATIONS AND GOODWILL

During 2017, the Company had no business combinations, direct purchases or mergers with other companies. The related disclosures are all not applicable.

NOTE 4 - - DISCONTINUED OPERATIONS

NOTE 5 - - INVESTMENTS

The Company's bond, common stock investments and Schedule BA investments described in Note 1 represent all of the Company's statutory recorded investments as of March 31, 2017 and December 31, 2016.

Additionally, in accordance with NAIC guidelines, the following accounting policies are either utilized or are not applicable to the company. The related note disclosures, specifically including 5D, 5E(3)b, 5I(2), 5I(3) and 5J are all not applicable.

4. Loan Backed Securities – Stated at amortized cost.
5. Repurchase Agreements and/or Securities Lending Transactions – This is not applicable.

10. Offsetting and Netting of Assets and Liabilities - This is not applicable.
11. Structured Notes - This is not applicable.

NOTE 6 - - JOINT VENTURES, PARTNERSHIPS and LIMITED LIABILITY COMPANIES

During 2017 and for the year 2016, there has been \$25,000 and \$572,000 respectively of income from the company's three joint ventures. The Company participates in three separate joint ventures with other Delta Dental Plans. These joint ventures started January 1, 2014, and Delta Dental of RI has taken a 3.02% risk share. One of these new ventures experienced startup costs in the first year and more importantly network recruiting efforts had fallen short of what was assumed in the priced contractual premiums for the largest of these three programs. A projected loss over the full five year contract period for one of these ventures had been recorded in the amount of approximately \$1,900,000 in 2014, which reflected the general partners most conservative assumptions. In 2015, this loss reserve was revised, based on the general partners latest projections, reflecting a gain of approximately \$203,000 recorded for this program. In 2016, this loss reserve was revised further, based on the general partners latest projections, reflecting a gain of approximately \$396,000 recorded for this program. The other two smaller joint ventures had reported the remaining \$176,000 of profitability.

In 2017, there was no increase in the existing venture funds. In 2016, the company made small investments and increased its investments in its existing venture funds. In 2015, the company increased its investments in a separate fund in one of the two venture capital companies it had previously invested in. These investments are reported on Schedule BA.

NOTE 7 - - INVESTMENT INCOME

Interest income is accrued as earned. At March 31, 2017 and December 31, 2016, the Company had no income due or accrued that it considered a non-admitted asset, as collection on accrued interest is reasonably assured for all Company investments.

During the quarter ended March 31, 2017 and the year ended December 31, 2016, the Company performed analyses to determine whether declines in fair value below amortized cost were other than temporary impairment ("OTTI") for both its bond and stock portfolio. These analyses resulted in the conclusion that there was a statutory temporarily impaired adjustment in the amount of \$8,000 and \$43,000 reducing bond investments and reserves for the quarter ended March 31, 2017 and the year ended December 31, 2016.

In addition to this statutory adjustment, GAAP OTTI adjustments of \$0 and \$66,000 were recorded for the stock portfolio for the quarter ended March 31, 2017 and the year ended December 31, 2016. As the common stocks are recorded at market values, these OTTI adjustments result in reducing unrealized losses and increasing realized losses by writing down the original cost amount to current market value for these specific common stocks where market value is below cost by a percentage and time frame that meets the Company's OTTI criteria.

NOTE 8 - - DERIVATIVE INSTRUMENTS

As disclosed in Note 1 above, all investments consist of United States government and government agency securities, corporate notes with fixed rates and maturities, common stocks and two investments in wholly owned subsidiaries. During the periods ended March 31, 2017 and December 31, 2016, the Company had not utilized any derivative financial instruments. The related disclosures are all not applicable.

NOTES TO FINANCIAL STATEMENTS

NOTE 9 - - FEDERAL INCOME TAXES

Delta Dental of Rhode Island is a not-for-profit corporation pursuant to Section 501(C)(4) of the Internal Revenue Code (IRC) and is exempt from federal income taxes under Section 501(a) of the IRC and, accordingly, no provision for income taxes has been made in the accompanying statutory financial statements. Altus Realty Company is also a not-for-profit real estate holding corporation under Section 501(C) (2) of the IRC, and as such has made no provision for income taxes.

The Company's other wholly owned subsidiary, The Altus Group, Inc., and its subsidiaries are for profit corporations. The Altus Group, Inc., including its subsidiaries Altus Dental, Inc., Altus Systems, Inc., Altus Dental Insurance Company Inc., Altus Ventures, Inc. and First Circle, Inc. file consolidated federal and state tax returns. Through 2012, these filings had historically resulted in minimal taxes due resulting from utilizing net operating loss carry forwards from accumulated consolidated losses, all of which were fully utilized in the 2012 tax return. For the quarter ended March 31, 2017 and year ended December 31, 2016, the tax provision of the Altus Group was \$79,000 and \$1,994,000.

As the company is a nonprofit entity, the NAIC required tables or disclosures are not applicable to the Company.

NOTE 10 - - INFORMATION CONCERNING PARENT, SUBSIDIARIES AND AFFILIATES

Delta Dental of RI is allocated expenses from Altus Systems, Inc., a subsidiary within the Altus Group. Altus Systems (AS) is the company that employs the operations staff necessary to administer the dental business of both DDRI and Altus Dental Insurance Company (ADIC). As a for-profit company, AS "sells" its dental related services to its sister and ultimate parent company at a 2% markup over its costs (to satisfy IRS requirements); therefore AS generates net income on its dental operations. The allocations from Altus Systems are based on the Company's member enrollment levels as a percentage of total consolidated dental member enrollment.

The Parent Company's one dental insurance subsidiary, Altus Dental Insurance Company, is allocated expenses from three affiliated Companies. The Parent, Delta Dental of RI and two sister companies (Altus Systems, Inc. and Altus Dental, Inc.) within the Altus Group. The allocations from Delta and Altus Systems are based on the Company's member enrollment levels as a percentage of total consolidated dental member enrollment. Expenses from Altus Dental are based on the number of subscribers under contract by the Company. The main allocated expenses from each source are as follows:

- Expenses are allocated from the Parent, Delta Dental (DDRI), for costs associated with a portion of consolidated expenses incurred by the Parent that should be spread among the two insurance companies. The main costs in this category would be rent, depreciation and payroll and fringes benefit costs for the various departments that service both insurance Companies.
- Altus Systems (AS) is the company that employs the operations staff necessary to administer the dental business of both ADIC and this Company.
- Altus Dental incurs costs related to: (1) advertising, (2) recruiting and servicing the provider network, and (3) sales and marketing activities. These costs are then allocated to ADIC based on the volume of subscriber dental contracts.

Altus Realty Company, a wholly owned subsidiary of the Company, is a non-profit real estate holding Company that holds title to and manages the building at 10 Charles Street in Providence, RI. The Company (Delta Dental of RI) presently rents approximately one half of the existing space within this building. For the quarter ended March 31, 2017 and the year ended December 31, 2016 respectively, this entity reported total revenues of \$479,000 and \$1,888,000 and net income of \$108,000 and \$303,000 during these two periods.

NOTES TO FINANCIAL STATEMENTS

The Altus Group, Inc. is a wholly owned subsidiary of the Company and was established as a for-profit entity in 1999 for the purpose of expanding the Company's offering of prepaid dental care coverage. For the quarter ended March 31, 2017 and the year ended December 31, 2016, after elimination of intercompany transactions, The Altus Group, Inc., generated gains of \$153,000 and \$3,193,000.

In the fourth quarter of 2016 a new entity within the Altus Group was established. This for-profit subsidiary, First Circle, Inc., is in the development stage. The Company is a services company that connects consumers with dentists for services not payable by insurance, and assists dental offices in promoting and increasing the efficiency of their offerings of such services through its proprietary Chewsi technological, transactional, payment processing and marketing services platform.

At March 31, 2017 and December 31, 2016 the Company has intercompany receivables from The Altus Group, Inc. and other subsidiaries. These balances resulted from advances that were provided to fund operating expenses of both The Altus Group, Inc. and its subsidiaries, as well as cash flow needs of Altus Realty. The Company charges interest on unpaid advanced funds. For Statutory filing purposes portions of the intercompany receivable balances from Altus Dental, Inc., Altus Realty and Altus Systems are considered non-admitted assets. These subsidiary entities do not currently possess the necessary liquidity to repay the entire receivable balances within 90 days. Therefore the currently uncollectible amounts are treated as nonadmitted assets in accordance with SSAP #25.

Management's cash flow projections for The Altus Group, Inc. and its subsidiaries are made based on a number of factors, which affect the changes in the receivable balances over the period of time being analyzed. The most significant factors include: the relative and absolute growth in enrollment levels for the Company and Altus Dental Insurance Company, Inc., a wholly owned subsidiary of The Altus Group, Inc.; the amount and rate of increase in operating and administrative expenses; the level of success Altus Dental, Inc. experiences in developing and maintaining its dental network; and the level of resources required by Altus Dental, Inc. for recruitment and marketing functions. Management's current cash flow projections for The Altus Group, Inc. and its subsidiaries projects continued profitability going forward and therefore the intercompany advances should continue to be gradually reduced.

See Schedule Y of the 2016 Annual Statement – Part 2 – Summary of Insurers Transactions with any Affiliates.

Effective January 1, 1997, the Company established a 401(k) plan. Plan entry of employer contributions are the same as the defined contribution retirement plan described above. The Company's contribution to the plan is matching the first 1% of base compensation and 50% of additional contributions up to 6% of the base compensation that is contributed by each employee. Employer contributions vest 100% after two years of service. The Company's contributions to this plan were \$72,000 and \$266,000 for the quarter ended March 31, 2017 and the year ended December 31, 2016.

In 2004, the Company established 457(b) Plan for providing deferred compensation for a select group of management. The Company's paid contributions to this plan will be \$18,000 for each of the years ended 2017 and 2016.

Delta Dental of Rhode Island intends to aggressively contest the assessment.
