Medical Marijuana Product Designation Guide

Issued 5/25/2020

Amended 6/19/2020, 10/30/2020, 4/12/2021, 6/21/2021 and 1/4/2022

Product Designation

Pursuant to § 1.7(A) of 230-RICR-80-05-1, marijuana or marijuana products may only be used by patient cardholders and may only be sold to or possessed by patient cardholders, or their registered caregivers, or authorized purchasers if it has been designated as “medical marijuana”

Only the products identified on this list have been approved as “medical” and can be sold at a compassion center without application for designation to the Office of Cannabis Regulation (OCR).

Any product that differs from product list below must be submitted to OCR for review and designation before it is eligible for sale at a compassion center. At that point, if the product is approved for designation as medical marijuana, the product will be added to this list.

Pursuant to § 1.7(G) of 230-RICR-80-05-1, medical marijuana product designation(s) may be withdrawn, denied or revoked by DBR if the product fails to satisfy any provision of the Act or the DBR Regulations or if the product deviates or is altered from its previously approved form.
