Dear Attorneys:

At today's status conference, it was agreed as follows:

In relation to a full hearing on the emergency suspension and the alleged January violations, written discovery shall be promulgated by May 10, 2022 with responses due by June 10, 2022.

A status conference shall be held on June 16, 2022 at 9:30 a.m. A zoom invitation shall be sent.

Meanwhile, the parties will discuss the transfer of the homeowner customers: the 11 from the pool of 23, and the ones with less than 90% complete and how the transfers are effectuated and/or homeowners are notified that BTTR is no longer registered.

Finally, the parties may choose to settle this matter without a full hearing. If the parties settle the matter, please advise.

So ordered,  
Catherine R. Warren
