RE: NOTICE OF INTENT TO ASSESS CIVIL PENALTY AND OPPORTUNITY FOR HEARING – PROPOSED ORDER Disciplinary Action - Violation # V-6708

This letter serves to notify you that the Rhode Island Contractors' Registration and Licensing Board (CRLB) has determined that on or about September 21, 2022, at 113 Ellery Street, Providence, RI 02909 violations of the following section(s) of Rhode Island General Laws were discovered and the CRLB intends to assess civil penalties as proposed.

Violation

5-65-3(m) - Failure to secure permits prior to commencing work

Violation Penalty

1,000

Description

On July 8, 2022 the respondent entered into a Contract to provide remodel work at 113 Ellery Street, Providence, re-building a bathroom. This work is of the type which requires that a building/electrical/plumbing/mechanical be taken out prior to commencing work. Upon request, the respondent could not produce the required permit and a check of the Providence E-permitting database showed that no permit had been issued by Providence.

Violation

5-65-10(a)(10) - Performed work, or arranged to perform work, without a valid registration.

Violation Penalty

500

Description

On August 8, 2022, the Respondent started the Renovation Project at 113 Ellery Street Providence, installing tiling, trim, etc as a result of an Insurance Claim. This work is of the type which requires registration with the CRLB.

A check of the CRLB Registration database showed that the respondent was not CURRENTLY registered with the CRLB. The Registration associated with Pasco M Buco (GC-12397) had expired May of 2022.

Violation

5-65-10(a)(12) - Contractor performed improper work

Violation Penalty

500

Description

On or about August 20, 2022 the respondent finished / performed a Remodel of a Bathroom.

Upon inspection, this work was deemed improper because ;

The quality of the tiling on the wall was less than would be expected

There are multiple variances in the surface finish, almost a waviness when looked at.

The material used as a top molding to the wall tiling is of question, as it seems to have been caulked to the shower install area, and is pulling away. It almost appears to be a piece of crown molding or wooden trim, not intended for this type of application

*** It was stated that this was used to match what had been in place prior to the Insurance claim being filed and had been the same material used in an different apartments renovations***

Fine amount: \$2,000

You have the right to a hearing. You must request a hearing in writing, to the Contractors' Registration Board, 560 Jefferson Blvd, Warwick, RI 02886 within twenty (20) days of the date of this mailing or issuance of the Notice of Intent to Assess Civil Penalty.
