The CAMT applies to companies with average annual book income exceeding \$1 billion and assesses a 15% tax on financial statement income (adjusted for certain items) based on the applicable financial statement to the extent that amount exceeds the regular corporate tax.

Litigation

Certain of the Farmers' companies are defendants in certain lawsuits arising in the normal course of business, which are in various stages of development. Some of these matters seek punitive as well as compensatory damages. While it is not possible to predict the outcome of these matters with certainty, management believes that their ultimate disposition will not have a material effect on the Company's financial position or results of operations. In addition, certain of the Farmers' companies are, from time to time, involved as parties in various governmental and administrative proceedings.

Revolving Credit Facility Framework Agreement

The Company and certain of the Farmers' companies amended its Revolving Credit Facility Framework Agreement to reflect recently acquired affiliates. This agreement eliminates the need to maintain large cash balances or unnecessarily liquidating investments during the monthly reinsurance cash settlement process among participating affiliates. The revolving credit framework allows participating affiliates to make short term loans to each other to cover debt arising from the monthly reinsurance settlement process. The loans, executed on an as-needed basis, mature in ninety (90) days or in the aggregate the lesser of three percent (3%) of a Company's admitted assets or twenty five percent (25%) of a Company's surplus. Loans may be collateralized with a pledge of securities at lender's option, and in any event, must be collateralized if the loan crosses from one calendar year into the next calendar year such that the loan is secured and perfected as of December 31 of the year the loan was made. Parties to the agreement will renegotiate the terms of the agreement at least once every three (3) years. The agreement has been non-disapproved by the California Department of Insurance as well as by the regulators of the domiciliary states of FIE affiliates outside of California.
