2. 12 months or longer.....	546,450
b. The aggregate related fair value of securities with unrealized losses:	
1. Less than 12 months.....	\$..... 14,130,643
2. 12 months or longer.....	4,582,534

- (5) The Company routinely assesses whether declines in fair value of its investments represent impairments that are other than temporary. There are several factors that are considered in the assessment of a security, which include: (a) the time period during which there has been a significant decline below cost; (b) the extent of the decline below cost; (c) The Company's intent and ability to hold the security; (d) the potential for the security to recover in value; (e) an analysis of the financial condition of the issuer; and (f) an analysis of the collateral structure and credit support of the security, if applicable.

When the Company has determined that an other-than-temporary decline in the fair value of the security exists, the cost of the security is written down to its fair value and the unrealized loss at the time of the determination is charged to income through the recognition of a realized capital loss. There were no other than temporary charges recorded during the year ended March 30, 2026.

23. Reinsurance

In order to limit the Company's potential exposure to individual risks and catastrophic events, the Group purchases significant reinsurance from third party reinsurers. Purchasing reinsurance is an important part of the Company's risk strategy, and premiums ceded to reinsurers is thus one of the Company's largest costs. The Company has strong relationships with reinsurers, which it attributes to its management's industry experience, disciplined underwriting, and claims management capabilities. For each of the twelve months beginning June 1, 2025 and 2024, the Group purchased catastrophe excess of loss reinsurance from the following sources: (i) the Florida Hurricane Catastrophe Fund, a state-mandated catastrophe fund ("FHCF") which provides reinsurance for Florida personal residential and commercial residential admitted policies only, (ii) private reinsurers, all of which were rated "A-" or higher by A.M. Best Company, Inc. ("A.M. Best") or Standard & Poor's Financial Services LLC ("S&P") or were fully collateralized, and (iii) the Company's wholly-owned reinsurance subsidiary, Osprey Re Ltd. ("Osprey"). The Company also sponsored catastrophe bonds in 2025 and 2024 through Citrus Re Ltd. In addition to purchasing excess of loss catastrophe reinsurance, the Company also purchases quota share, property per risk and facultative reinsurance from reinsurers who are either rated "A-" or higher by A.M. Best Company, Inc. ("A.M. Best") or Standard & Poor's Financial Services LLC ("S&P") or were fully collateralized. The Company's quota share program limits its exposure on catastrophe and non-catastrophe losses and provides ceding commission income. The Company's per risk programs limit its net exposure in the event of a severe non-catastrophe loss impacting a single location or risk. The Company also utilizes facultative reinsurance to supplement its per risk reinsurance program where the Company's capacity needs dictate.

Purchasing a sufficient amount of reinsurance to cover catastrophic losses from single or multiple events or significant non-catastrophe losses is an important part of the Company's risk strategy. Reinsurance involves transferring, or "ceding", a portion of the risk exposure on policies the Company writes to another insurer, known as a reinsurer. To the extent that the Company's reinsurers are unable to meet the obligations they assume under the Company's reinsurance agreements, the Company remains liable for the entire insured loss.

The Company's insurance regulators require all insurance companies, like us, to have a certain amount of capital and reinsurance coverage in order to cover losses and loss adjustment expenses upon the occurrence of a catastrophic event. The Company's reinsurance program provides reinsurance in excess of its state regulator requirements, which are generally based on the probable maximum loss that it would incur from an individual catastrophic event estimated to occur once in every 100 years based on its portfolio of insured risks. The nature, severity and location of the event giving rise to such a probable maximum loss differs for each insurer depending on the insurer's portfolio of insured risks, including, among other things, the geographic concentration of insured value within such portfolio. As a result, a particular catastrophic event could be a one-in-100-year loss event for one insurance company while having a greater or lesser probability of occurrence for another insurance company. The Company also purchases reinsurance coverage to protect against the potential for multiple catastrophic events occurring in the same year. The Company shares portions of its reinsurance program coverage among its insurance company affiliates.

2025 - 2026 Reinsurance Program

Catastrophe Excess of Loss Reinsurance

Effective June 1, 2025, the Company entered into catastrophe excess of loss reinsurance agreements for 2025-2026 covering Heritage Property & Casualty Insurance Company ("Heritage P&C"), Zephyr Insurance Company ("Zephyr") and Narragansett Bay Insurance Company ("NBIC"). As described above, the catastrophe reinsurance programs are allocated among traditional reinsurers, the Florida Hurricane Catastrophe Fund ("FHCF"), Citrus Re and Osprey Re. The FHCF covers Florida admitted market risks only and Heritage P&C elected to participate at 90.0% for the 2025 hurricane season. The Company's affiliate Osprey Re will provide reinsurance for a portion of the Heritage P&C, NBIC and Zephyr programs. The Company's third-party reinsurers are either rated "A-" or higher by A.M. Best or S&P or are fully collateralized, to reduce credit risk. Osprey Re and Citrus Re are fully collateralized programs.

The reinsurance program, which is segmented into layers of coverage, protects the Company for excess property catastrophe losses and loss adjustment expenses. The 2025-2026 reinsurance program provides first event coverage up to \$1.6 billion for Heritage P&C, first event coverage up to \$1.1 billion for NBIC, and first event coverage up to \$865.0 million for Zephyr. The Company's first event retention in a 1 in 100-year event would include retention for the respective insurance company as well as any retention by Osprey. The first event maximum retention up to a 1 in 100-year event for each insurance company subsidiary is as follows: Heritage P&C – \$50.0 million, of which \$50.0 million would be ceded to Osprey in a shared contract with NBIC and Zephyr; NBIC – \$39.3 million of which the entire amount would be ceded to Osprey in a shared contract with Heritage P&C and Zephyr; and Zephyr – \$50.0 million, of which \$50 million would be ceded to Osprey in a shared contract with Heritage P&C and NBIC.

The Company is responsible for all losses and loss adjustment expenses in excess of the Company's reinsurance program. For second or subsequent catastrophic events, the Company's total available coverage depends on the magnitude of the first event, as the Company may have coverage remaining from layers that were not previously fully exhausted. An aggregate of \$3.75 billion of limit is available in 2025, which includes reinstatement through the purchase of reinstatement premium protection. The amount of coverage, however, will be subject to the severity and frequency of such events.

Additionally, on December 31, 2024, the Company placed occurrence contracts for business underwritten by NBIC which covers all catastrophe losses excluding named storms which contracts expire December 31, 2025. One contract which is 55% placed has a \$15.0 million limit in excess of a retention of \$25.0 million while another contract provides the remaining 45% with a \$20.0 million limit in excess of a retention of \$20.0 million. Each contract has one reinstatement available.

Net Quota Share Reinsurance

The Company's Net Quota Share coverage is proportional reinsurance, which applies to business underwritten by NBIC, for which certain of the Company's other reinsurance (property catastrophe excess of loss and general excess of loss) inures to the quota share program. The amount and rate of ceding commissions slide, within a prescribed minimum and maximum, depending on loss performance. The Net Quota program has a term of one year. The Net Quota Share program which renewed on December 31, 2023 ceded 41% of the net premiums, with an occurrence limit of \$20.0 million for catastrophe losses, subject to certain aggregate loss limits that vary by reinsurer. The Net Quota Share program which renewed on December 31, 2024 ceded 46.0% of the net premiums, with an occurrence limit of \$20.0-\$25.0 million for catastrophe losses is in effect on the current year quota share program, subject to certain aggregate loss limits that vary by reinsurer.

Per Risk Coverage

Notes to the Financial Statements

23. Reinsurance (Continued)

For losses arising from business underwritten by Heritage P&C losses arising from commercial residential business underwritten by NBIC, and southeastern U.S. surplus lines business underwritten by NBIC, excluding losses from named storms, the Company purchased property per risk coverage. For the contract period from June 15, 2024 through June 30, 2025, which was 100% placed, the program covered losses and loss adjustment expenses in excess of \$1.5 million per claim. The limit recoverable for an individual loss is \$8.5 million and total limit for all losses is \$25.5 million. There are two reinstatements available with additional premium due based on the amount of the layer exhausted. For losses arising from commercial residential business underwritten by NBIC, the Company also purchased property per risk coverage for losses and loss adjustments expenses in excess of \$1.0 million per claim. The limit recovered for an individual loss is \$500,000 and total limit for all losses is \$1.5 million. This property per risk program was renewed for the period of July 1, 2025 through June 30, 2026, which was 100% placed. Under this new program, the limit recoverable for an individual loss in excess of \$2.0 million per claim is \$8.0 million and total limit for all losses is \$24.0 million. There are two reinstatements available with additional premium due based on the amount of the layer exhausted. For losses arising from commercial residential business underwritten by NBIC, the Company also purchased property per risk coverage for losses and loss adjustments expenses in excess of \$1 million per claim. The limit recovered for an individual loss is \$1.0 million and total limit for all losses is \$3.0 million.

In addition, the Company purchased facultative reinsurance for losses in excess of \$10.0 million for any properties it insured where the total insured value exceeded \$10.0 million. The maximum limit for this coverage is \$80.0 million. This coverage applies to losses arising from business underwritten by Heritage P&C and losses arising from commercial residential business underwritten by NBIC, excluding losses from named storms. The Company also purchased facultative reinsurance for losses underwritten by NBIC in excess of \$3.5 million.

General Excess of Loss

The Company's general excess of loss reinsurance protects personal residential multi-peril business underwritten by NBIC and Zephyr from single risk losses. For the contract period of July 1, 2024 through June 30, 2025, the coverage is \$2.5 million excess \$1.0 million for property losses and \$1.0 million excess \$1.0 million for casualty losses, and is 50.0% placed. For the contract period of July 1, 2025 through June 30, 2026, the coverage is \$2.5 million excess \$1.0 million for property losses and \$1.0 million excess \$1.0 million for casualty losses, and is 47.5% placed.
