Complaint Nos. 23-453
and 24-70**

STIPULATION AND CONSENT ORDER

PROCEDURAL BACKGROUND AND TRAVEL

On or about March 29, 2024, Respondent was issued a Notice of Hearing (“NOH”) by the Department of Business Regulation’s State Building Office, which includes the Contractors’ Registration and Licensing Board (“CRLB” or “Board”). The NOH provided Respondent with written notice of the appointment of a Hearing Officer to conduct an Administrative Hearing to determine whether Respondent has violated any part of Chapter 5-65 of the Rhode Island General Laws (“Chapter 5-65”) and whether fines and/or relief should be ordered.

Prior to a pre-hearing conference being held in this matter, the Respondent and the CRLB (the “Parties”) reached an agreement to settle the matter without the need for hearing. This Stipulation and Consent Order confirms the stipulated facts in this matter and the agreed upon terms of said agreement, which are as follows:

FACTS

1. Respondent David Antonucci is a registered contractor with the Board, GC No. 31544, who operates a business by the name of Rockhouse Construction LLC.

2. According to R.I. Gen. Laws § 5-65-1(7)(i)(a), a “Contractor” is someone who,

in the pursuit of an independent business, undertakes or offers to undertake or submits a bid, or for compensation and with or without the intent to sell the structure constructs, alters, repairs, improves, moves over public highways, roads, or streets, or demolishes a structure or to perform any work in connection with the construction, alteration, repair, improvement, moving over public highways, roads, or streets, or demolition of a structure, and the appurtenances thereto. For the purposes of this chapter, “appurtenances” includes, but is not limited to, the installation, alteration, or repair of wells connected to a structure consistent with chapter 13.2 of title 46, garage, carport, port, patio, decks, docks, sheds, tents, gazebos, walkways, fencing, driveways, retaining walls, swimming pools, sidewalks, stone/masonry walls, and parking lots.
3. R.I. Gen. Laws § 5-65-3(o) requires that a written contract be used by a contractor offering or arranging to perform work for \$1,000 or more, and that subsection of Chapter 5-65 also requires that a notice of possible mechanic’s lien be included in such written contract for construction.
4. Pursuant to R.I. Gen. Laws § 5-65-1(11) “incomplete or defective work” means “labor, materials, or any other item required for full performance by a person seeking payment of retainage that remains to be furnished by the person under the person’s contract for construction or that has been furnished by the person but requires correction, repair, further completion, revision, or replacement . . .”
5. The March 29, 2024, NOH was issued following the Board’s inspector’s investigation into Complaint No. 23-453 conducted between November 26, 2023, and March 28, 2024, including a site visit on December 7, 2023, which found that Respondent had violated R.I. Gen. Laws §§ 5-65-3(o) and 5-65-10(a)(7) and (a)(12).
6. The Respondent David Antonucci sufficiently demonstrated to the Board that he did not hire any unregistered subcontractors to perform work in connection with Complaint No. 23-453, and all the work was performed by registered subcontractors and/or his own employees.
7. It is the Board’s position that had a hearing been held in this matter, it would have demonstrated the allegations contained in the NOH by a preponderance of the evidence.

TERMS

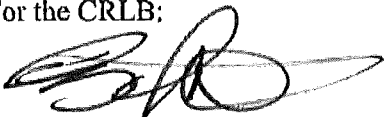

8. While the Respondent neither admits or denies committing the violations alleged herein, and in the NOH, in order to amicably resolve this matter without an administrative hearing the Board and the Respondent enter into this Stipulation and Consent Order solely for the purpose of avoiding the burdens and expenses of litigation. The Respondent and the CRLB agree to resolve the matter based upon satisfaction of the following terms and conditions:

- a. Respondent agrees to pay an administrative fine in the amount of **two thousand five hundred dollars (\$2,500.00)** and to deliver said payment upon signing of this Stipulation and Consent Order.
 - i. Respondent shall deliver the payment as follows:
 1. Respondent shall prepare the payment for delivery, via bank check, cashier's check or money order,
 2. The bank check or money order shall be made payable to the Rhode Island General Treasurer, and
 3. The payment shall be delivered to the Contractors' Registration and Licensing Board's offices located at 560 Jefferson Boulevard Warwick, RI 02889, concurrently upon signing this Consent Agreement.
 - b. Respondent agrees to perform **twenty-five (25) continuing education credit hours**, as recommended by the Board and identified by highlighted text in the attached Addendum A (List of Recommended Continuing Education Courses for David Antonucci); among the highlighted courses, Respondent may choose any twenty-five (25) credit hours, so long as those credit hours are **completed no later than ninety (90) days from the date of signing this agreement**.
 - c. Respondent may continue to operate his contractor business during the interim period while satisfying the above terms and conditions, however Respondent acknowledges and agrees that if the above terms are not satisfied accordingly, then the Board may move to schedule a hearing in this matter pursuant to the NOH, that may result in administrative fines and/or penalties.
9. If the above terms and conditions are fully satisfied by Respondent, the Board shall consider C-23-453 and C-24-70 resolved, and Respondent agrees that the Board shall post this Stipulation and Consent Order to the Department's website under "Enforcement Actions."
10. Respondent acknowledges that if the above terms are not fully satisfied within the agreed upon timeframe, then the Board reserves the right to initiate further administrative enforcement actions and/or refer the Respondent to the Office of the Attorney General for prosecution under R.I. Gen. Laws § 5-65-19.
11. Respondent agrees that a review hearing in this matter may be scheduled for the 22nd day of October 2024, at 9:30 a.m., before the hearing officer assigned to this matter, to confirm whether the above terms have been met.
12. The Respondent agrees that, in addition to the above, going forward, he/she shall abide by all other statutory and regulatory requirements as set forth in the laws governing contractors in the State of Rhode Island, R.I. Gen. Laws Chapter 5-65, as well as the CRLB's General Rules and Regulations for Applications, Registration, Licensing, Claims,

Violations, and Administrative Hearings, 440-RICR-10-00-1, and the Rules and Regulations for Contractors, 440-RICR-10-00-2.

13. *Enforcement.* Respondent acknowledges and agrees that, in the event he fails to complete the above terms of this Stipulation and Consent Order, Respondent will be in violation hereof and, upon ten (10) days written notice to Respondent, the Board shall be entitled to resume and continue the administrative action before the Hearing Officer assigned to this matter pursuant to the NOH.
14. *Completeness.* The Board and the Respondent agree that the terms and conditions of this Stipulation and Consent Order represents the final determination of this matter.
15. *Waiver of Hearing and Appeal.* By agreeing to enter into this Stipulation and Consent Order, the Respondent knowingly and voluntarily waives any right to an administrative hearing and waives any right to any further appeals to the CRLB and the Superior Court under Chapter 5-65 and the Rhode Island Administrative Procedures Act, R.I. Gen. Laws Chapter 42-35.
16. *Opportunity to Obtain Counsel.* Respondent agrees that he has had an opportunity to retain legal counsel to represent him/her in connection with this matter, and that he/she fully understands and acknowledges all the terms contained within this Stipulation and Consent Order, and that he/she has signed this Stipulation and Consent Order knowingly and voluntarily.
17. *Public Record.* Once executed, this Stipulation and Consent Order shall be a public record under the Access to Public Records Act, R.I. Gen. Laws Chapter 38-2, and § 1.5(C) of 440-RICR-10-00-1.
18. *Compliance.* Compliance with the terms of this Stipulation and Consent Order does not relieve the Respondent of any obligations to comply with other applicable laws or regulations administered by or through the CRLB, the Department or any other governmental agency.
