

Office of Cannabis Regulation (OCR) Hemp Business Licensing Quick Reference Guide (QRG)

PURPOSE

The purpose of this QRG is to help individuals apply for and renew hemp business licenses.

Disclaimer: The guide is not a substitution for understanding the regulatory requirements of licensure, [available here](#).

HEMP BUSINESS LICENSING

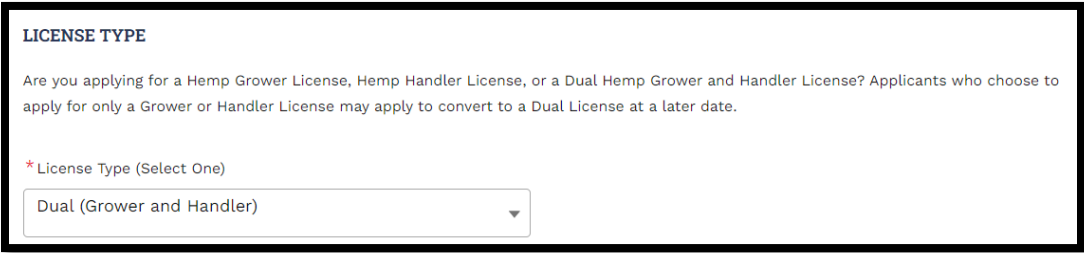

In accordance with [230-RICR-80-10-1](#) businesses and individuals seeking to cultivate, manufacture, distribute, or sell hemp and hemp-derived consumable products must apply for and receive a licensure from DBR *prior* to commencing operations. Below is an overview of the steps needed for *initial* hemp business licensing.

Regardless of the type of license being sought users must first navigate to the [State Licensing Portal](#) and create an account by selecting “Register New Account,” and entering the requested information.

Upon completing registration, users should log in to the portal to begin the license application process.
