## **REGISTRY IDENTIFICATION CARDS**

The following individuals are required to apply for and receive a Registry Identification Card before commencing work in Rhode Island's cannabis, hemp, and CBD industries:

- Owners
- Officers
- Shareholders (excluding those owning less than 5% of the outstanding shares of publicly traded companies)
- Directors
- Board Members
- Managers
- Employees (excluding those employed by a Licensed CBD Retailer)
- Agents
- Volunteers

Additionally, all the above individuals, with the exception of Employees and Volunteers, are required to complete a National Criminal Background Check at their local law enforcement office with the results forward to the Rhode Island Office of the Attorney General. **New Registry Identification Card will not be issued until OCR receives the results of this background check. In cases where the application has been approved but the background check has not been completed, the portal will show the status as "Pending BCI" on the "My Applications" page**. This status does not apply to renewals, which may be approved regardless of BCI status.

Requirements for, and distribution of, Registry Identification Cards by OCR are pursuant to the Edward O. Hawkins and Thomas C. Slater Medical Marijuana Act, R.I. Gen. Laws Chapter <u>21-28.6-12(c)(6)</u> and <u>21-28.6-16(b)</u>, and the Rules and Regulations Related to the Medical Marijuana Program Administered by the OCR at the Department of Business Regulation, <u>230-RICR-80-05-1.4</u>, as well as the Hemp Growth Act, R.I. Gen. Laws Chapter <u>2-26-5</u> and <u>2-26-6</u>, and the Rules and Regulations Related to the Rhode Island Industrial Hemp Program Administered by the OCR at the Department of Business Regulation, <u>230-RICR-80-10-1.10</u>.

\*\*Note\*\* Employees may begin working once the Registry Identification Card shows as "Issued" in the licensing portal, even if the physical card has not yet been received.

#### REGISTRY IDENTIFICATION CARD RENEWAL

\*\*Note\*\* It is the LICENSEE'S RESPONSIBILITY to track expiration dates for their employee's Registry Identification Cards. The system WILL NOT notify you when a card is approaching or past its expiration date and, as such, it is a best practice to have an in-house system for tracking cards.

 You may renew a Registry Identification Card within sixty (60) days of its expiration date. Begin by referring to the "All Licenses" section of the Portal to confirm the identity of individuals whose cards needs to be renewed. No

changes may be made to the Registry Identification Card during this renewal period. Any changes of mailing address or name must be made either prior to this period or following renewal.

2. Select the heading marked "Expiration Date" to sort the list by which Registry Identification Cards will require the soonest renewals.

3. Note the "License Number" of the expiring card you wish to renew.

\*\*Note\*\* A status of "Active" in the "My Registry Cards" page DOES NOT MEAN THAT THE CARD IS UNEXPIRED, it only refers to the existence of the card within the system. It is a licensee's responsibility to keep accurate records of the expiration dates of all registry card holders, including BCI dates. Expired BCIs will not prevent a card from being renewed but may still be a violation.

After confirming the individual's identity, return to the "All Licenses" section to complete the renewal.

\*\*Note\*\* Licensees *must* notify OCR upon termination of an individual's employment with their business and destroy their Registry Identification Card. In accordance with Medical Marijuana Program Bullet 2023-3, this requirement may be met by sending a monthly email, as applicable, to <u>dbr.mmpcompliance@dbr.ri.gov</u> using the template included at the end of this guide as Attachment 1.

\*\*NOTE\*\* If you include a Business on this page YOU MUST INCLUDE THE OWNERS OF THAT BUSINESS DOWN TO THE INDIVIDUAL PERSON. The only exceptions to this are publicly traded companies that must disclose all individuals holding 5% or more of the outstanding shares. The example on the following shows what this would look like for an Interest Holder in the licensee via third party managerment company with a sole owner. Please pay particular attention to the "Business Associated with" section where the appropriate response is the entity that the Contact is *directly* connected to. In the example below Jack Goodman is the Owner of ManagerCo, LLC which, in turn will have a management agreement with the licensee, TestCo, LLC. Therefore on Jack Goodman's contact, the business associated with is ManagerCo, LLC, *not* the licensee.

#### NOTIFICATION OF LICENSURE

\*\*Note\*\* OCR must be notified when there is a change in status for *any cannabis license* for which an owner or interest holder of a Rhode Island cannabis establishment is also an owner or interest holder. This applies to both newly issued cannabis licenses as well as licensees that surrender their license through nonrenewal, enforcement action, or other means. For example, if one of the owners of *TestCo, LLC*, a Rhode Island licensed cultivator, has an interest in *GrowCo, LLC*, which has applied for a license to cultivate cannabis in Massachusetts, *TestCo, LLC* must inform OCR via this process if the application is approved. If such a change occurs during the 60-day renewal window licensees should notify DBR via email at <u>dbr.mmpcompliance@dbr.ri.gov.</u> 1.
