

**STATE OF RHODE ISLAND
RHODE ISLAND DEPARTMENT OF HEALTH**

**ELIZABETH M. TANNER, ESQ.
IN HER CAPACITY AS CHAIR OF THE
RHODE ISLAND COVID-19 ENFORCEMENT
TASK FORCE**

**IN THE MATTER OF:
Centro de Nutricion Familiar
Violations of Executive Orders and
RI Department of Health Regulations**

NOTICE OF VIOLATION AND COMPLIANCE ORDER

Now comes the Chair (“Chair”) of the Rhode Island COVID-19 Enforcement Task Force (“Task Force”) and pursuant to R.I. Gen. Laws § 23-1-20, Executive Orders 20-32, 20-40, and 20-79, and Rhode Island Department of Health (“RIDOH”) regulation 216-RICR-50-15-7 (the “Safe Regulations”), determines that there are reasonable grounds to believe that Centro de Nutricion Familiar (“Respondent”) is in violation of Executive Orders and/or the Safe Regulations, and provides notice thereof.

REASONABLE GROUNDS FOR DETERMINATION OF VIOLATION

- I. Respondent is a retail establishment located at 732 Atwood Avenue in Providence.
- II. Respondent is a covered entity as defined in the Safe Regulations. As such, the Respondent is required to comply with applicable Executive Orders and the Safe Regulations.
- III. On or about September 18, 2020, a Task Force inspector met with owner Valentina Alvarado (“Owner”) and conducted a Healthy Environment inspection of the Respondent. The inspector performed a checklist inspection based on the Safe Regulations and determined that Respondent

scored a 3/11 for overall requirements. After the inspection, the inspector spent approximately forty-five (45) minutes with the Respondent to help it achieve full compliance. This included a recommendation to the Respondent on how to access www.ReopeningRI.com and the relevant websites for the Executive Orders, rules, regulations, and guidance. The Respondent stated that they would comply. The Respondent was also advised that an inspector would conduct a reinspection in the near future.

- IV. On or about September 29, 2020, the same Task Force inspector conducted a reinspection of the Respondent. The inspector met with the Owner and again performed a checklist inspection based on the Safe Regulations. The inspector determined that the Respondent again scored a 3/11 for overall requirements and had not made any attempts toward achieving compliance since the inspection of September 18, 2020.
- V. Therefore, as a result of the Respondent's continued failure to comply with applicable Executive Orders and the Safe Regulations, and in the absence of any other information to rebut the allegations above, RIDOH has drawn the conclusion that the above allegations are true, and the Respondent is not in compliance with applicable Executive Orders and/or the Safe Regulations.

ALLEGED VIOLATIONS

The following alleged violations stem from the September 29, 2020 reinspection.

- I. Respondent is in violation of Section 7.4.1(A)(1) of the Safe Regulations, which requires each covered entity to develop, maintain, and ensure compliance with a written plan for the safe operation of the establishment. Upon request, Respondent could not produce a written plan.
- II. Respondent is in violation of Section 7.4.1(A)(8) of the Safe Regulations, which requires all covered entities to maintain an employee work log that identifies the full name, phone number, and the date and time of all shifts worked by each employee. This work log must be maintained for at least thirty (30) days. Upon request, Respondent could not produce an employee work log.

- III. Respondent is in violation of Sections 7.4.1(A)(6) & (7) of the Safe Regulations, which require each covered entity to ensure the performance of environmental cleaning of its establishments once per day and to maintain records documenting such environmental cleaning. Upon request, the Respondent could not produce the required records.
- IV. Respondent is in violation of Section 7.4.1(A)(6) of the Safe Regulations, which requires each covered entity to clean commonly touched surfaces, such as shared workstations, elevator buttons, door handles and railings in accordance with CDC guidance for specific industries. The Respondent admitted that it did not clean commonly touched surfaces in accordance with CDC guidance.
- V. Respondent is in violation of Section 7.4.1(A)(2) of the Safe Regulations, which requires each covered entity to implement and ensure compliance with screening of all individuals entering its establishment(s) at any time for any reason. Upon inquiry, the Respondent admitted that it did not conduct entry screening. In addition, there were no posters visible at or near the entrance concerning entry screening.
- VI. Respondent is in violation of Section 7.4.1(A)(4) of the Safe Regulations, which requires each covered entity to ensure the placement of posters or signs at entry to its establishments educating any individual at the establishment concerning entry screening, required physical distancing, use of cloth face coverings, and other subjects as provided in guidance issued by RIDOH. The inspector observed that none of the required information was posted at the entry to the establishment and concluded, therefore, that the Respondent failed to ensure the placement of required posters.
- VII. Respondent is in violation of Section 7.4.1(A)(5) of the Safe Regulations, which requires all covered entities to ensure that their establishments have their restrooms open, and that they have running water and are stocked with hand soap. If access to restrooms or running water is limited, the establishment shall ensure ready access to hand sanitizer at all times. The inspector observed

that the Respondent did not have its restrooms open and it did not have ready access to hand sanitizer available.

- VIII. Respondent is in violation of Section 7.4.1(A)(1)(a) of the Safe Regulations, which requires establishments to ensure compliance with a plan that includes procedures relative to, among other things, physical distancing at all times, to the extent feasible, and additional measures to be taken in high traffic, communal, or other areas where physical distancing is not feasible. As stated, above, Respondent admitted to not having the required plan and the inspector observed that there were no measures in place to ensure that physical distancing was maintained.

ORDER

It is hereby ORDERED, that on or before the tenth (10th) day from service of this Notice of Violation and Compliance Order, Respondent shall remedy the above cited violations and come into full compliance with applicable Executive Orders and Regulations, by fulfilling the conditions as set forth below:

- I. Respondent shall develop, maintain, and ensure compliance with a written plan for the safe operation of the establishment.
- II. Respondent shall maintain an employee work log that identifies the full name, phone number, and the date and time of all shifts worked by each employee. This work log must be maintained for at least thirty (30) days.
- III. Respondent shall ensure the performance of environmental cleaning of its establishment once per day and maintain records documenting such environmental cleaning.
- IV. Respondent shall clean all high touch surfaces in accordance with CDC guidelines, in accordance with its specific industry, and maintain records documenting such cleaning.
- V. Respondent shall implement and ensure compliance with screening of all individuals entering its establishment(s) at any time for any reason.

- VI. Respondent shall ensure the placement of posters or signs at entry to its establishment educating any individual at the establishment concerning entry screening, required physical distancing, use of cloth face coverings, and other subjects as provided in guidance issued by RIDOH.
- VII. Respondent shall ensure that its establishment has its restroom open, and that they have running water and are stocked with hand soap. If access to restrooms or running water is limited, the establishment shall ensure ready access to hand sanitizer at all times.
- VIII. Respondent shall ensure compliance with its plan for safe operation, required pursuant to Section 7.4.1(A)(1) of the Safe Regulations, including compliance with, among other things, procedures consistent with the Safe Regulations relative to physical distancing at all times, to the extent feasible, and additional measures to be taken in high traffic, communal, or other areas where physical distancing is not feasible.

Failure to comply with this ORDER may result in the imposition of civil fines, the issuance of an immediate compliance order, and/or any other action authorized by regulation, the Act, or other applicable law.

Entered this 1st day of October 2020.
