RHODE ISLAND DEPARTMENT OF HEALTH**

**ELIZABETH M. TANNER, ESQ.
IN HER CAPACITY AS CHAIR OF THE
RHODE ISLAND COVID-19 ENFORCEMENT
TASK FORCE**

**IN THE MATTER OF:
HKK Auto Center
Violations of Executive Orders and
RI Department of Health Regulations**

NOTICE OF VIOLATION AND COMPLIANCE ORDER

Now comes the Chair (“Chair”) of the Rhode Island COVID-19 Enforcement Task Force (“Task Force”) and pursuant to R.I. Gen. Laws § 23-1-20, Executive Orders 21-27, 21-29, 21-31, and 21-34 (“Executive Orders”), and Rhode Island Department of Health (“RIDOH”) regulation 216-RICR-50-15-7 (“Safe Regulations”), determines that there are reasonable grounds to believe that HKK Auto Center (“Respondent”) is in violation of Executive Orders and/or the Safe Regulations, and provides notice thereof.

REASONABLE GROUNDS FOR DETERMINATION OF VIOLATION

- I. Respondent is a retail/service establishment located at 767 Social Street in Woonsocket.
- II. Respondent is a covered entity as defined in the Safe Regulations. As such, the Respondent is required to comply with applicable Executive Orders and the Safe Regulations.

- III. On or about August 28, 2020 a Task Force inspector conducted a Healthy Environment inspection of the Respondent. The inspector performed a checklist inspection based on the Safe Regulations and determined that Respondent scored a 4/11 for overall requirements. After the inspection, the inspector provided information and resources to the Respondent to help it achieve full compliance. This included a recommendation to the Respondent on how to access www.ReopeningRI.com and the relevant websites for the Executive Orders, rules, regulations, and guidance. The Respondent was also advised that an inspector would conduct a reinspection in the near future.
- IV. On or about April 9, 2021, a different Task Force inspector conducted a reinspection of the Respondent. The inspector performed a checklist inspection based on the Safe Regulations and determined that the Respondent scored a 3/12 for overall requirements.
- V. Therefore, as a result of the Respondent's continued failure to comply with applicable Executive Orders and the Safe Regulations, and in the absence of any other information to rebut the allegations above, RIDOH has drawn the conclusion that the above allegations are true, and the Respondent is not in compliance with applicable Executive Orders and/or the Safe Regulations.

ALLEGED VIOLATIONS

The following alleged violations stem from the April 9, 2021 reinspection.

- I. Respondent is in violation of Section 7.4.1(A)(3) of the Safe Regulations, which requires all individuals in an establishment to wear cloth face coverings unless an exception applies and requires establishments to deny entry to any employee, who is not otherwise exempt from the requirement, who refuses to wear a cloth face covering when required. The inspector observed four (4) employees in the store, none of which were wearing a cloth face covering. None of the employees claimed an exception. In addition, the inspector observed one (1) customer who was not wearing a cloth face covering.

- II. Respondent is in violation of Section 7.4.1(A)(1)(f) of the Safe Regulations, which requires the designation of a point of contact who is familiar with the applicable Executive Orders and the Safe Regulations, and who will work with RIDOH on testing, contact tracing, case investigation, isolation and quarantine follow up. Upon request, Respondent could not identify a point of contact who is familiar with the guidance and regulations.
- III. Respondent is in violation of Section 7.4.1(A)(1) of the Safe Regulations, which requires each covered entity to develop, maintain, and ensure compliance with a written plan for the safe operation of the establishment. Upon request, Respondent could not produce a written plan.
- IV. Respondent is in violation of Section 7.4.1(A)(1)(a) of the Safe Regulations, which requires establishments to ensure compliance with a plan that includes procedures relative to, among other things, physical distancing at all times, to the extent feasible, and additional measures to be taken in high traffic, communal, or other areas where physical distancing is not feasible. As stated, above, Respondent could not produce the required plan and the inspector observed that there were no measures in place to ensure that physical distancing was maintained.
- V. Respondent is in violation of Section 7.4.1(A)(4) of the Safe Regulations, which requires each covered entity to ensure the placement of posters or signs at entry to its establishments educating any individual at the establishment concerning entry screening, required physical distancing, use of cloth face coverings, and other subjects as provided in guidance issued by RIDOH. The inspector observed that the only information which was posted at the entry to the establishment pertained to the requirement to wear a cloth face covering, and that none of the additional required information was posted at the entry to the establishment. The inspector concluded, therefore, that the Respondent failed to ensure the placement of required posters. (See "Exhibit A")
- VI. Respondent is in violation of Section 7.4.1(A)(2) of the Safe Regulations, which requires each covered entity to implement and ensure compliance with screening of all individuals entering its

establishment(s) at any time for any reason. Upon inquiry, the Respondent admitted that it did not conduct entry screening. In addition, there were no posters visible at or near the entrance concerning entry screening.

- VII. Respondent is in violation of Section 7.4.1(A)(8) of the Safe Regulations, which requires all covered entities to maintain an employee work log that identifies the full name, phone number, and the date and time of all shifts worked by each employee. This work log must be maintained for at least thirty (30) days. Upon request, Respondent could not produce an employee work log.

ORDER

It is hereby ORDERED, that on or before the tenth (10th) day from service of this Notice of Violation and Compliance Order, Respondent shall remedy the above cited violations and come into full compliance with applicable Executive Orders and Regulations, by fulfilling the conditions as set forth below:

- I. Respondent shall require all employees in its establishment to wear cloth face coverings unless an exception applies. In accordance with Section 7.4.1(3)(a) of the Safe Regulations, Respondent shall deny access to its establishment to any employee who refuses to wear a cloth face covering when required by the Safe Regulations unless an exception applies.
- II. Respondent shall instruct all individuals/customers in its establishment to wear cloth face coverings unless an exemption applies.
- III. Respondent shall designate a point of contact who is familiar with applicable Executive Orders and the Safe Regulations, and who will work with RIDOH on testing, contact tracing, case investigation, isolation and quarantine follow up.
- IV. Respondent shall develop, maintain, and ensure compliance with a written plan for the safe operation of the establishment.
- V. Respondent shall ensure compliance with its plan for safe operation, required pursuant to Section 7.4.1(A)(1) of the Safe Regulations, including compliance with, among other things, procedures

consistent with the Safe Regulations relative to physical distancing at all times, to the extent feasible, and additional measures to be taken in high traffic, communal, or other areas where physical distancing is not feasible.

- VI. Respondent shall ensure the placement of posters or signs at entry to its establishment educating any individual at the establishment concerning entry screening, required physical distancing, use of cloth face coverings, and other subjects as provided in guidance issued by RIDOH.
- VII. Respondent shall implement and ensure compliance with screening of all individuals entering its establishment(s) at any time for any reason.
- VIII. Respondent shall maintain an employee work log that identifies the full name, phone number, and the date and time of all shifts worked by each employee. This work log must be maintained for at least thirty (30) days.

Failure to comply with this ORDER may result in the imposition of civil fines, the issuance of an immediate compliance order, and/or any other action authorized by regulation, the Act, or other applicable law.

Entered this 13th day of April 2021.
