RHODE ISLAND DEPARTMENT OF HEALTH**

IN THE MATTER OF:

Violations of Executive Orders and
RI Department of Health Regulations**

IMMEDIATE COMPLIANCE ORDER

Now comes the Director of the Rhode Island Department of Health (“RIDOH”), as informed by the Chair (“Chair”) of the Rhode Island COVID-19 Enforcement Task Force (“Task Force”), and pursuant to R.I. Gen. Laws §23-1-21, Executive Order 20-100 (“Executive Order”), and the RIDOH rules and regulations pertaining to Safe Activities By Covered Entities During the COVID-19 Emergency (216-RICR-50-15-7) (“Safe Regulations”), determines that Maxx Fitness Clubzz (“Respondent”) is in violation of applicable Executive Orders and/or the Safe Regulations, which violations require immediate action to protect the health, welfare, and safety of the public.

NEED FOR IMMEDIATE ACTION

On March 9, 2020, Governor Gina M. Raimondo declared a state of emergency for the State of Rhode Island due to the dangers to health and life posed by COVID-19. The Safe Regulations were promulgated as an emergency rule, pursuant to R.I. Gen. Laws § 42-35-2.10, based on a finding that an imminent peril to the public health, safety, or welfare required immediate promulgation of the rule, specifically that “[i]n order to prevent further spread of COVID-19 as individuals begin to leave their homes more frequently and establishments begin to reopen, protective measures must be followed and

implemented for individuals and establishments to resume operations so that the public's health and welfare is protected."

GROUNDS FOR DETERMINATION OF VIOLATION

- I. Respondent is a fitness establishment located at 601 Metacom Avenue in Warren.
- II. Respondent is a covered entity as defined in the Safe Regulations. As such, the Respondent is required to comply with applicable Executive Orders and the Safe Regulations.
- III. On November 30, 2020, Executive Order 20-100 went into effect. This order requires, in part, that gyms and fitness centers must cease indoor operations during the Pause.
- IV. On or about November 30, 2020, after Executive Order 20-100 went into effect, the Task Force received information that Respondent was open and operating in violation of the Executive Order. A Task Force inspector visited the location and confirmed that the Respondent was, in fact, open and operating.
- V. Therefore, as a result of the Respondent's failure to comply with applicable Executive Orders and the Safe Regulations, and in the absence of any other information to rebut the allegations above, RIDOH has drawn the conclusion that the above allegations are true, and the Respondent is not in compliance with applicable Executive Orders and/or the Safe Regulations.

VIOLATIONS

The following alleged violation stems from the November 30, 2020 observations.

- I. Respondent is in violation of Executive Order 20-100, which states, in part, that gyms and fitness centers must cease indoor operations during the Pause. After receiving information that the Respondent was open and operating, a Task Force inspector visited the location and confirmed that the Respondent was, in fact, open and operating.

ORDER

It is hereby **ORDERED**, that Respondent is to immediately close all indoor operations until such time as the requirement set forth in Executive Order 20-100, and any successor Executive Order thereto, that gyms and fitness centers cease indoor operations is lifted.
