

**STATE OF RHODE ISLAND
RHODE ISLAND DEPARTMENT OF HEALTH**

**ELIZABETH M. TANNER, ESQ.
IN HER CAPACITY AS CHAIR OF THE
RHODE ISLAND COVID-19 ENFORCEMENT
TASK FORCE**

**IN THE MATTER OF:
Still Under Ink
Violations of Executive Orders and
RI Department of Health Regulations**

NOTICE OF VIOLATION AND COMPLIANCE ORDER

Now comes the Chair (“Chair”) of the Rhode Island COVID-19 Enforcement Task Force (“Task Force”) and pursuant to R.I. Gen. Laws § 23-1-20, Executive Order 21-22 (“Executive Order”), and Rhode Island Department of Health (“RIDOH”) regulation 216-RICR-50-15-7 (“Safe Regulations”), determines that there are reasonable grounds to believe that Still Under Ink (“Respondent”) is in violation of Executive Orders and/or the Safe Regulations, and provides notice thereof.

REASONABLE GROUNDS FOR DETERMINATION OF VIOLATION

- I. Respondent is a personal services establishment located at 475 Atwood Avenue in Cranston.
- II. Respondent is a covered entity as defined in the Safe Regulations. As such, the Respondent is required to comply with applicable Executive Orders and the Safe Regulations.
- III. On or about October 15, 2020, a Task Force inspector conducted a Healthy Environment inspection of the Respondent. The inspector performed a checklist inspection based on the Safe

Regulations and determined that Respondent scored a 10/12 for overall requirements. After the inspection, the inspector provided information and resources to the Respondent to help it achieve full compliance. This included a recommendation to the Respondent on how to access www.ReopeningRI.com and the relevant websites for the Executive Orders, rules, regulations, and guidance. The Respondent was also advised that an inspector would conduct a reinspection in the near future.

- IV. On or about March 7, 2021, a different Task Force inspector conducted a reinspection of the Respondent. The inspector met with the owner and performed a checklist inspection based on the Safe Regulations. The inspector determined that the Respondent scored a 7/12 for overall requirements.
- V. Therefore, as a result of the Respondent's failure to comply with applicable Executive Orders and the Safe Regulations, and in the absence of any other information to rebut the allegations above, RIDOH has drawn the conclusion that the above allegations are true, and the Respondent is not in compliance with applicable Executive Orders and/or the Safe Regulations.

ALLEGED VIOLATIONS

The following alleged violations stem from the March 7, 2021 reinspection.

- I. Respondent is in violation of Section 7.4.1(A)(3) of the Safe Regulations, which requires all individuals in an establishment to wear cloth face coverings unless an exception applies and requires establishments to deny entry to any employee, who is not otherwise exempt from the requirement, who refuses to wear a cloth face covering when required. The inspector observed two (2) employees in the store, neither of which was wearing a cloth face covering. Neither employee claimed an exception.

- II. Respondent is in violation of Section 7.4.1(A)(1) of the Safe Regulations, which requires each covered entity to develop, maintain, and ensure compliance with a written plan for the safe operation of the establishment. Upon request, Respondent could not produce a written plan.
- III. Respondent is in violation of Section 7.4.1(A)(1)(a) of the Safe Regulations, which requires establishments to ensure compliance with a plan that includes procedures relative to, among other things, physical distancing at all times, to the extent feasible, and additional measures to be taken in high traffic, communal, or other areas where physical distancing is not feasible. As stated, above, Respondent could not produce the required plan and the inspector observed that there were no measures in place to ensure that physical distancing was maintained.
- IV. Respondent is in violation of Sections 7.4.1(A)(6) & (7) of the Safe Regulations, which require each covered entity to ensure the performance of environmental cleaning of its establishments once per day and to maintain records documenting such environmental cleaning. Upon request, the Respondent could not produce the required records.
- V. Respondent is in violation of Section 7.4.1(A)(8) of the Safe Regulations, which requires all covered entities to maintain an employee work log that identifies the full name, phone number, and the date and time of all shifts worked by each employee. This work log must be maintained for at least thirty (30) days. Upon request, Respondent could not produce an employee work log.

ORDER

It is hereby ORDERED, that on or before the tenth (10th) day from service of this Notice of Violation and Compliance Order, Respondent shall remedy the above cited violations and come into full compliance with applicable Executive Orders and Regulations, by fulfilling the conditions as set forth below:

- I. Respondent shall require all employees in its establishment to wear cloth face coverings unless an exception applies. In accordance with Section 7.4.1(3)(a) of the Safe Regulations, Respondent

shall deny access to its establishment to any employee who refuses to wear a cloth face covering when required by the Safe Regulations unless an exception applies.

- II. Respondent shall develop, maintain, and ensure compliance with a written plan for the safe operation of the establishment.
- III. Respondent shall ensure compliance with its plan for safe operation, required pursuant to Section 7.4.1(A)(1) of the Safe Regulations, including compliance with, among other things, procedures consistent with the Safe Regulations relative to physical distancing at all times, to the extent feasible, and additional measures to be taken in high traffic, communal, or other areas where physical distancing is not feasible.
- IV. Respondent shall ensure the performance of environmental cleaning of its establishment once per day and maintain records documenting such environmental cleaning.
- V. Respondent shall maintain an employee work log that identifies the full name, phone number, and the date and time of all shifts worked by each employee. This work log must be maintained for at least thirty (30) days.

Failure to comply with this ORDER may result in the imposition of civil fines, the issuance of an immediate compliance order, and/or any other action authorized by regulation, the Act, or other applicable law.

Entered this 9th day of March 2021.

Elizabeth M. Tanner, Esq.
