IN RE: UNLICENSED SALVAGE YARD ACTIVITY ON PROVIDENCE PLAT # 30
DBR No. 18AS001

CONSENT ORDER – SANTO GERMOSEN AND RAFAEL HERNANDEZ

On June 1, 2018, the Department issued an Order to Show Cause Why Cease and Desist
Order Should Not Issue; Notice of Pre-hearing Conference; and Appointment of Hearing Officer
(the “Order to Show Cause”). This action was initiated upon investigation into a significant
number of unregistered automobiles stored on real property on Plat #30 in the Warren St. area of
Providence, Rhode Island (the “Property”).

In order to resolve the Order to Show Cause as it pertains to Santo “David” Germosen
and Rafael Hernandez (collectively “Respondents”) without an administrative hearing, the
Department of Business Regulation, Commercial Licensing Division (“Division”) and the
Respondents have agreed to the below compliance terms based on the below summarized
background, positions, and representations. The Consent Order does not address any matters still
pending with respect to any other parties to the Order to Show Cause.

1. The Order to Show Cause is incorporated by reference to reflect the Department’s allegations
that the Respondents were operating as an unlicensed auto salvage yard for storage of
unregistered vehicles without the requisite Auto Wrecking and Salvage Yard License from
the Department. See Exhibit A.

2. The subject of this enforcement matter is governed by Chapter 42-14.2 of the Rhode Island
General Laws entitled “Department of Business Regulation – Automobile Wrecking and

1
Salvage Yards” and R.I. Code of Regulations 230-RICR-30-05-5 entitled “Auto Wrecking and Salvage Yards” (hereinafter collectively referred to as the “Salvage Yard Laws”).

3. The Respondents were originally named as “Joe Doc” parties in the Order to Show Cause. Following the pre-hearing conference, the Division identified the Respondents and met with each of them separately. Respondent Germosen was provided with a professional interpreter at his initial meeting with the Division. The Division met a second time with both Respondents collectively (Respondent Hernandez available to translate for Respondent Germosen) to explain the terms of this Consent Order, answer any questions, and to execute the Consent Order.

4. The portion of the Property used by the Respondents is labeled in Exhibit B and hereinafter referred to as the “Germosen/Hernandez Property.” The Germosen/Hernandez Property consists of a triangular lot with frontage on Harrison Street, spanning from the intersection of Harrison St. and Westfield St to the intersection of Harrison St and Warren St with an interior boundary ending at a line running perpendicularly between Westfield St and Warren St at a residential property with an address of 62 Warren St.

5. The Respondents represented that Respondent Germosen was responsible for rent of the Germosen/Hernandez Property under an oral rental agreement. The Respondents both used the Germosen/Hernandez Property for storage of unregistered motor vehicles as part of a vehicle export business. As part of this business, the Respondents periodically delivered unregistered motor vehicles to a third party who they understood would be exporting the vehicles out of the country.
6. The Respondents represented that they removed approximately two-thirds of the unregistered vehicles from the property between the date of the inspection and the date of execution of this agreement.

7. Respondent Hernandez represented that he had two (2) unregistered vehicles remaining on the property as of the date of execution of this agreement.

8. Respondent Germosen represented that he had approximately twenty (20) unregistered vehicles remaining on the property as of the date of execution of this agreement.

9. The Respondents both represented that they did not conduct any activity that requires an automobile body repair shop license under Chapter 5-30 of the Rhode Island General Laws without the requisite licensure.

10. The Respondents hereby agree to cease and desist any activity constituting an unlicensed auto salvage yard at the Germosen/Hernandez Property. Specifically, the Respondents agree to cease storing any of the following at the Germosen/Hernandez Property: unregistered motor vehicles, motor vehicle parts, metals, hazardous waste, junk, second hand articles or related auto wrecking and salvage materials ("Auto Salvage Materials").

11. The Respondents further agree to remove all Auto Salvage Materials from the Property by October 1, 2018 and under the following Clean-Up Conditions:

   A. For vehicles moved to another location in Rhode Island, Respondents shall only move Auto Salvage Materials to locations at which such storage is lawfully permitted and not otherwise violative of the Salvage Yard Law (such as to a properly Licensed Auto Wrecking and Salvage Yard).

   B. If the Respondents move any unregistered motor vehicles outside of the state in conjunction with the motor vehicle export business, nothing in this Consent Order shall
be construed to waive application of any other state laws. It is the Respondents’ independent responsibility to comply with any applicable requirements for motor vehicle dealer licensing administered by the Department of Motor Vehicles or tax provisions administered by the Division of Taxation in the conduct of such business.

C. It is also the responsibility of the Respondents to comply with any and all applicable environmental laws in conducting this Clean-Up.

12. The Respondents shall document and submit to the Division their Clean-Up plan and progress by listing each unregistered motor vehicle on the Germosen/Hernandez Property (by make, model, year, and VIN number) and the date and location to which it is moved off the Germosen/Hernandez Property. The Division will provide forms and further guidance for this reporting.

13. If the Respondents cease renting the Property, they shall notify the Division immediately and provide supporting documentation.

14. The Division and its authorized employees and agents shall be entitled to conduct inspections of the Germosen/Hernandez Property at all reasonable times to monitor compliance to with this Consent Order and the Salvage Yard Laws. Respondents will cooperate with the Division in the performance of such inspections.

15. In consideration of the above, the Division will not take any immediate further administrative action against the Respondents.

16. **Waiver of Hearing and Appeal.** By agreeing to resolve this matter through the execution of this Consent Order, Respondent knowingly and voluntarily waives any right to an administrative hearing and waives any right to pursue an appeal to the Superior Court under the Rhode Island Administrative Procedures Act, R.I. Gen. Laws § 42-35-1 et seq.
17. **Enforcement.** If the Respondent fails to comply with any term or condition of this Consent Order within any applicable time period set forth herein, the Respondent will be in violation hereunder and the Department may take immediate and/or heightened enforcement or other action in accordance with applicable law.

18. **Compliance; Other Laws.** Compliance with the terms of this Consent Order does not relieve the Respondent of any obligation to comply with other applicable laws or regulations administered by or through the Department or any other governmental agency.

**Division’s Investigation**

6. **Subject Property - General.** The Department’s Chief Public Protection Inspector (the “Inspector”) inspected the Property for the Department’s Commercial Licensing Division (“Division”) on the following dates in 2018: April 25, May 2, May 17 and May 23 and made the following observations.

a. On all of these inspection dates, the Inspector observed a large quantity of vehicles (approximately two hundred) in various states of disrepair, many of which appeared to have collision damage and parts removed (hereinafter referred to as the “Subject Vehicles”), as well as numerous vehicle parts such as bumpers, engines, hoods, transmissions, tires, rims, frames, etc. (the “Vehicle Parts”).

b. During the May 2, 2018 inspection, the Inspector also observed a person who appeared to be putting motor vehicle parts from the Property into the trunk of his car and driving off.
7. "Abby Roads Properties." On several occasions during its investigation, the Division made telephone contact with Scott Morris. Morris identified the Motor Vehicle Businesses listed herein and stated that to his knowledge, each of these Motor Vehicle Businesses were storing some number of motor vehicles on the Subject Property which motor vehicles collectively comprise the total number of Subject Vehicles observed by the Inspector.

8. Rivas Auto Sales & Repairs

a. After several prior attempts, the Division made telephone contact with a representative of Rivas Auto Sales & Repairs, Inc. on May 17, 2018. Mr. Edwin Ramos, communicating through an interpreter on his end of the line, identified himself as the owner of Rivas Auto Sales & Repairs, Inc. and confirmed that he leases a lot on the Subject Premises for storing vehicles.

b. Later in the day on May 17, 2018 conducted a follow-up inspection by meeting Mr. Ramos at the Subject Property and again inspected on May 23, 2018. During these follow-up inspections, the addresses associated with Mr. Ramos and Rivas Auto Sales & Repairs, Inc. were identified as 59 and 63 Warren Street and 102 Wilson Street, adjacent lots which collectively held a total of fifty-five (55) cars.

9. All Hooked Towing

a. After several prior attempts, the Division made telephone contact with a representative of All Hooked Towing and Recovery, LLC on May 17, 2018. Mr. DJ Harris identified himself as the manager of All Hooked Towing and Recovery, LLC, which he confirmed leases a lot on the Subject Premises for storing vehicles. Mr. Harris further stated that All Hooked Towing and Recovery, LLC transports vehicles from “auction” to its lot on the
Subject Property and stores “junk cars” there until such time as they are brought to a salvage yard.

b. The Inspector identified the addresses associated with Mr. Harris and All Hooked Towing and Recovery, LLC as 72 and 78 Wilson St., which collectively held a total of twelve (12) cars.

10. 50 Warren Street. 50 Warren Street is a large factory area with many several sections of land and factory buildings. Though several inspectors, the Division was able to ascertain the following information.

a. Reservoir Auto & Alignment Repair Service

i. On or about May 14, 2018, the Division made telephone contact with Carlos Reyes, who identified himself as the owner of Reservoir Auto & Alignment Repair Service. Mr. Reyes confirmed that he rents space at the Subject Property. Mr. Reyes indicated that he purchases vehicles at auction, stores those vehicles at the Subject Property, uses parts from these vehicles to conduct repairs on cars for the business of Reservoir Auto & Alignment Repair Service, and then has the remainder of the vehicles transported to SMM New England Corporation (Sims Metal Management1). Mr. Reyes’s statements confirmed that a number of the Subject Vehicles are attributable to him and Reservoir Auto & Alignment Repair Service.

ii. The Inspector conducted a follow-up inspection on May 23, 2018 by meeting Mr. Reyes at the Subject Property. During this follow-up inspection, a total of thirty-

five (35) cars that were determined to be attributable to Mr. Reyes and Reservoir Auto & Alignment Repair Service.

b. *One Way Auto.* On May 14, 2018, the Division made telephone contact with Will Davis who identified himself as working for One Way Auto. Davis indicated that he purchases vehicles at auction, stores them on the Property, and then transports them to One Way Auto’s principal office in Worcester, Massachusetts. Davis’s statements confirm that a number of the Subject Vehicles are attributable to him and One Way Auto. Specifically, it appears that One Way Auto had approximately nine (9) vehicles stored inside of the factory building at 50 Warren St.

c. *Jose Lauriano.* Respondent Lauriano was also identified as another potential tenant for the area of 50 Warren St.

11. *44 Warren St. - Jose Lauriano.* During his inspection on May 23, 2018, the Inspector determined that seventeen (17) vehicles are being stored at 44 Warren St. Respondent Lauriano confirmed that he leases space at the Subject Property in a telephone interview with the Inspector on May 23, 2018.

12. *45 Warren St. and 17 Fuller St.* During the Division investigation, sixteen (16) cars were observed to be stored collectively at the addresses of 45 Warren St. and 17 Fuller St. Upon information and belief, these lots are leased to a John Doe who are known by the name of “Freddie.”

15. For portions of the Subject Property for which no particular Motor Vehicle Business is listed below, the Division has listed Respondent “Abby Roads Properties” as the responsible property owner and also listed any suspected John Doe parties. For the John Doe parties, the Division has limited information about the suspected name and mailing address of the associated John Doe.
