IN THE MATTER OF:

GREEN ROOM ORGANICS, LLC,

RESPONDENT.

CONSENT AGREEMENT

Reference is made to the Edward O. Hawkins and Thomas C. Slater Medical Marijuana Act, Rhode Island General Laws § 21-28.6-1 et seq., as amended by Rhode Island Public Laws 2019, ch. 088, Article 15 (as so amended, the "Act") and Rules and Regulations Related to the Medical Marijuana Program Administered by the Office of Cannabis Regulation at the Department of Business Regulation, 230-RICR-40-5-1 et seq. (the "Regulations"). The Department of Business Regulation through its Office of Cannabis Regulation (the "Department" or "OCR") and Green Room Organics, LLC, a Rhode Island limited liability company ("Respondent"), hereby consent and agree that:

1. On January 24, 2017, Respondent submitted its medical marijuana cultivator application, Application No. MMP.CV 0022 ("Application"), with respect to a proposed medical marijuana facility to be located in Westerly, Rhode Island (the "Facility" or the "Premises").

2. On or about April 20, 2018, the Department issued a preliminary conditional approval letter (the "Conditional Approval") with respect to the Application subject to satisfaction of the terms and prerequisites for licensure ("Prerequisites") stated therein within nine (9) months of the Department's preliminary inspection (i.e., on or before January 20, 2019).

4. On January 28, 2019, the Department granted a first extension of the Conditional Approval until August 30, 2019 to satisfy the Prerequisites.

6. On September 13, 2019, the Department granted a second extension of the Conditional Approval until March 31, 2020 to satisfy the Prerequisites.

8. On May 12, 2020, the Department granted a third extension of the Conditional Approval until August 31, 2020 to satisfy the Prerequisites.

10. October 3, 2020, the Department, via issuance of a letter noting “Final Extension,” granted a fourth extension of the Conditional Approval until December 1, 2020 to satisfy the Prerequisites.

11. On October 21, 2020, the Department issued an updated letter with respect to the fourth extension reflecting the Prerequisites that had been satisfied and the prerequisites that remain unsatisfied.

12. Respondent did not meet the December 1, 2020 deadline to satisfy the Prerequisites.

13. On or about January 30, 2021, the Department communicated via telephone with Respondent’s then-counsel with a discussion focused on Respondent’s potential ability to obtain licensure by entering into the Department’s proposed consent agreement.

14. On or about January 30, 2021, the Department sent its proposed consent agreement to Respondent’s then-counsel via e-mail.

15. For several months thereafter, the parties communicated but Respondent declined to enter into a consent agreement.

16. On July 22, 2021, after the Department receiving no communication from Respondent’s agents since March 2021, Respondent’s CEO sent the Department an e-mail requesting a conference call or virtual meeting between Respondent and the Department.

18. During the August 16, 2021 meeting, the Department expressed significant concerns surrounding the status of Respondent’s pending cultivation application and noted several items which would need to be addressed by Respondent.

19. As of the date hereof, Respondent has failed to complete the outstanding Prerequisites in accordance with the terms of the Conditional Approval.

20. Based upon the foregoing, the Department believes it has sufficient cause to pursue administrative action in the form of rescission of Respondent’s Conditional Approval of the Application in accordance with Rules and Regulations Related to the Medical Marijuana
21. Respondent represents to the Department that it has encountered unforeseen delays in completing and satisfying the prerequisites for licensure and has proposed that the Department afford Respondent one last opportunity to complete the requirements for issuance of the License.
