Medical Marijuana
Compliance Program

DBR No. 17MM007

The Respondents and the Department of Business Regulation ("Department") hereby acknowledge and agree as follows in reference to the Order to Show Cause Why Plant Tag Applications Should Not be Denied, Notice of Pre-Hearing Conference and Appointment of Hearing Officer ("OSC") issued by the Department on October 13, 2017:

1. Respondents have consensually withdrawn their plant tag applications and the related request for an administrative hearing. Provided the Respondents comply with the terms of this agreement and comply with the Act and Regulations before and after the date hereof, the Department will not seek to revoke or otherwise alter either Respondent's status as a qualified patient cardholder in Rhode Island's Medical Marijuana Program based on the OSC.

2. Respondents have requested the destruction of all marijuana in their custody required to be tagged under state law under the supervision of the Department, and said supervised destruction will occur on a mutually agreeable date with Counsel for the Respondents present.

3. Respondents have agreed to dismantle any commercial grade plant lighting and plant irrigation systems, HVAC systems and any carbon dioxide augmentation equipment purchased for the purpose of, and/or previously used for marijuana cultivation by the Respondents and Respondents have agreed not to reinstall such equipment. The Respondents further agree to dismantle the HVAC system by removing its Freon, disconnecting it from its power source, or by rendering the HVAC system inoperable in an alternative way, and the manner of said dismantling shall be approved by the Department before it occurs. The Department will inspect the Respondents' Premises on a date mutually agreeable to the Parties to evaluate said dismantling.

4. Respondents have agreed to provide the Department with copies of utility bills for the Respondents' Premises within five (5) business days of a request for such records by the Department during a one-year follow-up period from the execution of this document. Any such request will be made in writing to the Respondents' Counsel.

5. Respondents have agreed to pay an administrative assessment in the amount of $300.00.

6. Respondents have had the opportunity to consult with legal counsel of their choice. The Department has considered all relevant facts and circumstances in determining that this
Upon the Parties' execution of this document and fulfillment of the obligations contained herein, the Department will consider this matter resolved in full.
