Re: Final Targeted Market Conduct Examination

Dear Ms. Gordon:

Fidelity & Guaranty Life Insurance Company (hereinafter the “Company”) f/k/a OM Financial Life Insurance Company (“OMFLIC”) respectfully submits this response to the final version of the Rhode Island Insurance Division’s Targeted Market Conduct Examination Report of OMFLIC (the “Report”) for the period January 1, 2008 through December 31, 2009. The following sets forth the Company’s corrective actions relative to the concerns noted in the Report.

The Report notes concerns relative to notifying the existing insurer of replacement within five (5) business days for four annuity contracts. These contracts noted by the Department during the examination period were issued in 2008 prior to our Third Party Administrator implementing the Company’s changes to the administrative guidelines for replacements in 2009 to more fully comply with state regulatory requirements. Please see attached Exhibit A “Administrative Guidelines for State Replacement Requirements”, Exhibit B “Replacement Requirements by State” and Exhibit C “Replacement Notice”.

The Company has signed the Consent Agreement. Enclosed herewith please find two originally executed Consent Agreements along with a check in the amount of $4,000 for the administrative penalty. Would your office kindly execute one of these Consent Agreements and return it to my attention at the address noted in the top right corner of this letter.

The Company sincerely appreciates the professionalism and courteousness of the examiner while conducting the examination.

Sincerely,

John T. Rooney
Assistant Secretary

In September 2001 F&G Life and its subsidiary, Thomas Jefferson Life Insurance Company, were sold by the St. Paul Companies, Inc. to Old Mutual U.S. Life Holdings, Inc. On January 1, 2007, Fidelity and Guaranty Life Insurance Company changed its name to OM Financial Life Insurance Company. Replacements

Individual Annuity

A review of the Company's replacement practices of life insurance and annuity contracts was conducted to determine whether the Company was in compliance with Rhode Island Insurance Regulation 29, Life Insurance and Annuities Replacement, for the period under examination.

The Company provided the examiners with a listing of 18 replacements processed for the period under examination. Sixteen (16) were indicated to be replacements on annuity contracts and two (2) were on individual life contracts. From this listing, all 18 replacement files were selected for review.

Of the eighteen replacement contracts reviewed in the sample, three annuity files were found to be in violation of Rhode Island Insurance Regulation 29. These findings represented an 18.75% error rate for annuity replacements processed. All three of the files were noted as exceptions due to the Company's failure to send proper notification to the existing insurers of the proposed replacements as stipulated by Rhode Island Insurance Regulation 29, Section 6 A (2).
A fourth replacement exception was noted in the review of the complaint area. One of the complaints files that involved replacement of an inforce policy did not provide notification as stipulated by R. I. Insurance Regulation 29, Section 6.A (2).

**Recommendation #1:** It is recommended that the Company revise its procedures for processing replacement business for annuity contracts to ensure that a separate replacement notification letter is sent to each existing insurer that may be affected by the proposed replacement, within five business days of receipt of a completed application indicating replacement, in accordance with Rhode Island Insurance Regulation 29, Section 6.A.(2).

**Recommendation #2:** It is recommended that the Company maintain a copy of the replacement notification letter in accordance with Rhode Island Insurance Regulation 67, Sections 4 and 5.
