Notice of the Publication of a Proposed Direct Final Rule

Pursuant to the provisions of chapter 41-3.1 of the Rhode Island General Laws, and in accordance with the Administrative Procedures Act (“APA”), Chapter 42-35 of the Rhode Island General Laws, and specifically R.I. Gen. Laws § 42-35-2.11 of the amended APA, the Department of Business Regulation (“DBR”) hereby proposes to repeal Racing and Athletics Regulation 2 – Greyhound Racing. DBR is taking this action because the department is attempting to repeal regulations that are no longer relevant and not necessary. As of August 2009, Greyhound Racing ceased in Rhode Island and will no longer take place in the future. DBR believes that this proposed action is noncontroversial and anticipates that no objection will be received to this proposed repeal.

Pursuant to the requirements of R.I. Gen. Laws § 42-35-2.6 and § 42-35-2.7, DBR has made the following determinations. DBR has considered alternative approaches to the proposed repeal and has determined that there is no alternative approach among the alternatives considered that would be as effective and less burdensome. DBR has determined that the proposed repeal is necessary because Greyhound Racing is no longer taking place in the State of Rhode Island, having been repealed by 2010 R.I. Pub. Laws ch. 13. Therefore, the regulation is no longer required to implement the provisions of chapter 41-3.1 of the Rhode Island General Laws.

A copy of the repealed regulation will be available for examination from May 16, 2017, through June 17, 2017, by mail or at the offices of the Department of Business Regulation, 1511 Pontiac Avenue, Cranston, Rhode Island 02920, or requested by email maria.dalessandro@dbr.ri.gov or by calling Maria D’Alessandro at (401) 462- 9581. Electronic copies of the proposed repeal will also be available on the DBR website at www.dbr.ri.gov.

DBR encourages the submission of written objections to the proposed repeal of Racing and Athletics Regulation 2. If no objection is received on or before June 17, 2017, DBR will file the repeal without opportunity for public comment and the repeal will be effective on June 17, 2017. All written objections should be sent to the Department of Business Regulation, 1511 Pontiac Avenue, Cranston, Rhode Island 02920, or requested by email maria.dalessandro@dbr.ri.gov and must be received no later than 11:59 PM on **June 17, 2017**.

~~39I.—Inasmuch as the purpose of the Twin Double is to select the winners of the first half and the second half of the Twin Double races, a participant who selects a number which runs in but does not win a Race is no longer eligible subject only to the contingency that no other participant has selected the winner of that Race.~~

~~39J.—If a number is Scratched in the first Race of the first half of the Twin Double, all tickets on the Scratched number will be refunded and the money so refunded will be deducted from the gross pool.~~

~~39K.—If a number is Scratched in the second Race of the first half of the Twin Double, after the running of the first Race of the first half, all Twin Double tickets combining the Scratched number with the actual winner of the first Race of the first half of the Twin Double shall be paid a price equivalent to that fraction of the net pool by the total purchase price of all tickets combining the winner of the first Race of the first half of the Twin Double with all the numbers in the second Race of the first half of the Twin Double. The total pay-off of all tickets combining the winner of the first Race of the first half of the Twin Double with the Scratched number in the second Race of the first half of the Twin Double as determined by the method set forth in this rule shall be deducted from the net Twin Double Pool.~~

~~39L.—If a number is Scratched in the first Race of the second half of the Twin Double during or after the exchange of tickets by the holders of the first two (2) winners, each ticket including the Scratched number in the first Race of the second half of the Twin Double shall be paid a price equivalent to that fraction of the net pool derived by dividing the net pool by the total number of tickets exchanged. The total pay-off of all tickets combining the winners of the first half of the Twin Double with the Scratched number in the first Race of the second half of the Twin Double as determined by the method set forth in this rule shall be deducted from the net Twin Double Pool.~~

~~39M.—If a number is Scratched from the second Race of the second half of the Twin Double during or after the exchange of tickets by holders of the first two (2) winners, each ticket including the Scratched number in the second Race of the second half of the Twin Double combined with the winner of the first Race of the second half of the Twin Double shall be paid a price equivalent to that fraction of the net pool derived by dividing the net pool by the number of exchange tickets including the winner of the first race, second half of the Twin Double. The total pay-off of all tickets combining the winners of the first half of the Twin Double and the winner of the first Race in the second half of the Twin Double with the Scratched number in the second Race of the second half of the Twin Double, as determined by the method set forth in this rule, shall be deducted from the net Twin Double Pool.~~

~~39N.—If no ticket is sold combining the winner of the first and winner of the second Race of the first half of the Twin Double, the net pool shall then be apportioned between those having tickets including the winner of the first Race of the first half of the Twin Double and those having tickets including the winner of the second Race of~~

~~the first half of the Twin Double and shall be calculated and distributed as a Place Pool. If this should happen the pool is closed for the Day.~~

~~39O.— If no ticket is sold including the winner of the first Race of the first half of the Twin Double then the entire net pool will be paid to the holders of tickets which include the winner of the second Race of the first half of the Twin Double. If this should happen the pool is closed for the Day.~~

~~39P.— If no ticket is sold including the winner of the second Race of the first half of the Twin Double then the entire net pool will be paid to the holders of tickets which include the winner of the first Race of the first half of the Twin Double. If this should happen the pool is closed for the Day.~~

~~39Q.— If no exchange ticket includes the winner of the first Race of the second half of the Twin Double, the entire net pool shall be distributed as a straight pool to the holders of the exchange tickets and the winning combinations of the first half that had not been exchanged.~~

~~39R.— If no ticket combines the winners of the first and second races of the second half of the Twin Double then the entire pool shall be distributed as a straight pool to all holders of tickets including the first Race of the second half winner.~~

~~39S.— In the event of a dead heat in the first Race of the first half of the Twin Double, all tickets combining both winners of the first Race of the first half with the winner of the second Race of the first half of the Twin Double shall be eligible for exchange.~~

~~39T.— In the event of a dead heat in the second Race of the first half of the Twin Double, all tickets combining the winner of the first Race of the first half of the Twin Double with the winners of the second Race of the first half of the Twin Double shall be eligible for exchange.~~

~~39U.— In the event of a dead heat in the first Race of the second half of the Twin Double and there is no ticket combining either winner with the winner of the second Race of the second half of the Twin Double then the pay-off shall be distributed to holders of tickets on the first Race of the second half winners in the same manner in which a Place pool is calculated.~~

~~39V.— In the event of a dead heat in the second Race of the second half of the Twin Double, the pay-off shall be distributed as a place pool to holders of tickets combining the winners of the second Race of the second half with the winner of the first Race of the second half.~~

~~39W.— In the event of a dead heat in the second Race of the second half of the Twin Double in which no tickets have been sold on one of the two winners, only~~

~~the holders of tickets on the other winning number, shall participate in the Twin Double Pool.~~

~~39X.— If, for any reason the first Race of the first half of the Twin Double is cancelled or declared "no Race," full and complete refund shall be made of the Twin Double Pool.~~

~~39Y.— If, for any reason the first Race of the second half of the Twin Double is cancelled or declared "no Race," the net pool shall be calculated as a straight pool and shall be distributed to the holders of tickets combining the winner of the first Race of the first half of the Twin Double with every number in the second Race of the first half of the Twin Double.~~

~~39Z.— If, for any reason the first Race of the second half of the Twin Double is cancelled or declared "no Race," the net Twin Double Pool shall be distributed as a straight pool among the holder of Twin Double exchange tickets and the holders of winning Twin Double tickets not surrendered for exchange for Twin Double exchange tickets.~~

~~39AA. If, for any reason the second Race of the second half of the Twin Double is cancelled or declared "no Race," the net Twin Double Pool shall be distributed as a straight pool among the holders of Twin Double exchange tickets designating the winner of the first Race of the second half of the Twin Double.~~

Section 42 — Pick-Six Wagering

~~(a) — Rules Governing: — At tracks which have the pick-six pool, the rules of this section will govern the system used.~~

~~(b) — Permitted: — Pick-six wagering shall be permitted only in accordance with this section. An Association may not hold more than one pick-six in a single performance.~~

~~(c) — Rules Prominently Displayed: — Rules for the pick-six shall be prominently displayed within the facility and pertinent portions thereof shall be printed in all Programs.~~

~~(d) — Definition: — The pick-six is a form of pari-mutuel wagering in which the purchaser of a ticket selects in order the winners of six consecutive races designated and, advertised a pick-six race.~~

~~(e) — Separate Pools: — The pick-six has no connection with any other pool. All tickets will be calculated in an entirely separate pool.~~

~~(f) — Program Numbers: — Selections are made by Program numbers only. These represent the Post Positions of the Greyhounds.~~

~~(g) — Scratched or Excused Greyhounds: In the event a Greyhound has been Scratched from the pick six races between the time a customer has placed their pick six wager, and off time for the first Race of the pick six races, the first Race of the pick six will be delayed until such time as the customer has had an opportunity to void their tickets with the Scratched Greyhound and make new selections.~~

~~(h) — Late Scratched Greyhounds: In the event of a late Scratch after cessation of wagering on the pick six for that performance, as per Judges' orders, and the Scratched Greyhound has been selected to win on pick six tickets, it may in some cases cause a consolation payoff to those persons having the Scratched Greyhound amongst their selections. One half of the amount representing the purchase price of the ticket with the Scratched Greyhound shall be deducted from each of the pick six pools. All of the deducted monies shall be then put into a net consolation pool.~~

~~————— If the withdrawn tickets with the Scratched Greyhound do not qualify for the pick six consolation pool, they may qualify for the late "Scratched consolation pool" which will be paid to those ticket holder(s) selecting the most winners and the Scratched Greyhound.~~

~~————— Example: ——— On a \$2.00 straight ticket, which includes a late Scratch racer as one of the Race selections, one dollar shall be deducted from the pick six pool and the other dollar deducted from the jackpot pool, thereby creating a "Scratched consolation pool."~~

~~(i) — Calculation and Distribution of a Pool:~~

- ~~1. — The net pick six pool for a performance shall be divided in half, one half representing the consolation pool and the other half added to the jackpot pool.~~
- ~~2. — The combined consolation and jackpot pools shall be paid to purchasers of tickets designating all six winners in the pick six.~~
- ~~3. — Should no pick six tickets be sold in a pool designating all six (6) winners, the consolation pool shall be distributed to the holder(s) of tickets designating the highest numbers of winners, and the jackpot pool shall be carried over from pick six performance to pick six performance until any of following occurs:
 - ~~(A) — A pick six ticket is sold designating all six (6) winners in a pick six pool.~~
 - ~~(B) — The maximum amount permitted to accumulate in a pick six pool pursuant to subsection (i) is reached during a performance in which no tickets listing the winners has been issued. When this occurs the value of the jackpot pool reached during that performance will be carried over from performance to performance until either a winning pick six tickets (Naming all six winners) has been issued or until the last performance of the last Meeting in any calendar year has been completed. (See Section Below) While this maximum jackpot pool is being carried over, the consolation pool shall continue to be awarded as above.~~~~

~~(C) — The Last pick-six Race of the last Meeting in any calendar year is concluded, in which case the jackpot pool, and the net performance's pick-six pool shall be distributed to the holder(s) of tickets designating the highest number of winners.~~

~~———— If no further pick-six contests are scheduled or planned to be held at said facility, a special Race shall be held upon permission from the Director of Pari-Mutuel Wagering, and the carried over jackpot and seed pools, if any, and the net total performance's pick-six wagers shall be distributed to the holder(s) of tickets designating the highest number of winners.~~

~~(j) — Pool Limitation: The Commission shall set a maximum value of \$100,000 to which the jackpot pool may accumulate. Where this maximum value is reached during the wagering on a pick-six performance, wagering on that performance may continue, but the maximum value set by the Commission may be exceeded by only a maximum of one half the amount wagered on the pick-six after the maximum jackpot pool value has been attained. Pick-six distribution is then effected as under section (i) above.~~

~~———— As an illustration, suppose the Commission set a maximum pool value of \$100,000, and on a particular Day the carried over jackpot pool is equal to \$90,000. Net Wagering on the pick-six that Day amounts to \$40,000. The jackpot pool is then \$110,000 and the consolation pool is \$20,000. If no one picks all six (6) winners of the pick-six games, then the \$110,000 jackpot is carried over. At the next performance suppose a net of \$40,000 is again wagered on pick-six, in this event, the jackpot pool will remain at \$110,000. If no one picks all six (6) winners, the total net pool of \$40,000 will be distributed to the holder(s) of tickets designating the highest number of winners.~~

~~(k) — Cancellation of Races:~~

~~(1) If three (3) or more of the designated pick-six Races are cancelled or declared by the judges no Race, the Association shall make a complete refund of the pick-six pool upon surrender of the pick-six tickets purchased.~~

~~(2) If one or two of the designated pick-six Races is cancelled or declared by the judges no race, the consolation pool shall be distributed to holder(s) of tickets designating the highest number of winners of the Races run. There shall be no participation in the jackpot pool and it shall be carried over.~~

~~(l) — Cancellation of Performance: If, for any reason, the performances should be Suspended before the first of the designated Races has begun, the Association shall make a complete refund of the pick-six pool under surrender of the pick-six tickets purchased that Day.~~

~~(m) — Cessation of Wagering: Wagering on the pick-six pool shall cease at off-time of the first Race of the pick-six series.~~

~~(n) — Designation of Races: Races which are included in the pick-six pool shall be approved by the Commission. Pick-six Races must be clearly designated as such to the wagering~~

public in the Program for a performance, and pick-six wagers may only be accepted on those races specifically designated as pick-six Races.

- (o) ~~Hold Tickets:~~ Tickets should be retained until the payoffs have been declared official.
- (p) ~~Denomination of Tickets:~~ Pick-six tickets shall be sold only from machines capable of issuing six Program numbers, and only in denominations approved by the Commission which shall not be less than \$2.00 per combination.
- (q) ~~Manner of Placing Wagers:~~ Pick-six tickets may be purchased either by authorized slip betting or by oral purchase, providing that such slip betting form shall be authorized by the Commission.
- (r) ~~Nondisclosure:~~ Notwithstanding any other section of these regulations, no person shall disclose the number of pick-six tickets sold or the number or amount of tickets selecting winners in the pick-six races until the last Race of the pick-six series is declared official.
- (s) ~~The Totalizator Company shall program its computer equipment so that no information regarding winners in the pick-six matches shall be available on printouts until the culmination of the sixth pick-six match. If for any reason the computer manager deems such information necessary for any reason, any intrusion into the system shall be viewed by a representative of management and the State Racing Commission.~~
- (t) ~~Dead Heats:~~ In the event of a dead heat for win in any pick-six Race, all Greyhounds so dead-heated shall be considered as the winner
- (u) ~~Minimum Entries:~~ There shall be at least eight (8) Greyhounds entered in each pick-six, each Greyhound representing a separate interest.
- (v) ~~Refund:~~ Should no pick-six ticket be sold designating any of the winners of the six designated pick-six Races, the Association shall make a complete refund of the pick-six pool wagered on that performance upon surrender of pick-six tickets purchased.
- (w) ~~All Greyhounds:~~ In a pick-six wagering Races, the first three finishers and the last placed Greyhound, as well as, at least one other Greyhound selected at random, shall be the subject of urinalysis examination which shall be conducted by State Regulatory Inspectors and the Department of Toxicology.

Section 43 — Twin Trifecta Wagering

- A. ~~Rules Governing:~~ At Greyhound Tracks which have permission to use Twin Trifecta pools, the Rules of said section shall govern the system.
- B. ~~Permitted:~~ Twin Trifecta wagering shall only be permitted in accordance with authorization from the State Racing and Athletics Commission. The Association may hold only one Twin Trifecta in a single performance.

- C. ~~Rules prominently displayed:~~ The rules for Twin Trifecta shall be prominently displayed within the racing facility and printed in all Programs.
- D. ~~Definition:~~ The Twin Trifecta is a form of pari-mutuel wagering in which the bettor selects the three Greyhounds that will finish first, second, and third in the exact order as officially posted in each of the two (2) Races designated and advertised as Twin Trifecta Races.
- E. ~~Separate Pool:~~ The Twin Trifecta has no connection with any other pool. All tickets will be calculated in an entirely separate pool.
- F. ~~Program Numbers:~~ Selections are made by Program numbers only. These represent the Post Position of the Greyhounds.
- G. ~~Method of Wagering:~~ calculation and distribution of pool.
1. ~~Each bettor purchasing a Twin Trifecta ticket shall designate his three (3) selections as the first three (3) Greyhounds to finish in that order in the first of two (2) designated Twin Trifecta Races.~~
 2. ~~After the wagering closes for the first Race of the Twin Trifecta, the net pool shall be divided in half, one half representing the consolation pool and the other half added to the jackpot pool (except as hereinafter provided).~~
 3. ~~The consolation pool will be distributed in the same manner as an ordinary trifecta to holders of the Twin Trifecta tickets selecting the first three Greyhounds in order in the first designated Twin Trifecta Race.~~
 4. ~~In the first half of the Twin Trifecta only, if there is a failure to select, in order, the first three Greyhounds, pay-off of only the consolation pool shall be made on Twin Trifecta tickets selecting the first two (2) Greyhound, in order. If there is a failure to select, in order, the first two (2) Greyhounds, pay-off of only the consolation pool shall be made on Twin Trifecta tickets selecting the winner to win. No exchange tickets shall be issued if there is a failure to select the first three (3) Greyhounds, in order of finish. Failure to select the winner to win shall cause a refund of all Twin Trifecta tickets.~~
 5. ~~After the official Declaration of the first three Greyhounds to finish in the first Race of the Twin Trifecta, each bettor holding a winning ticket must, prior to the running of the second Twin Trifecta Race, exchange such winning tickets for both the monetary value established by the mutuels department and a Twin Trifecta exchange ticket at the specified windows and at such time shall select the three (3) Greyhounds in the exact order of finish in the second Race of the Twin Trifecta. No further money shall be required of the holders of the winning tickets in order to make the exchange.~~

6. ~~No Twin Trifecta exchange ticket upon the second Race shall be issued except upon the surrender of the Twin Trifecta ticket from the first Race as described in these Rules. Twin Trifecta windows for the purpose of cashing and exchanging winning tickets shall be open only after the first Race has been declared official and such windows shall close at the start of the second Race of the Twin Trifecta Races.~~
7. ~~If a winning Twin Trifecta ticket from the first Race is not presented for cashing and exchange within the time provided, the bettor may still collect monetary value attached to the ticket, but Forfeits all rights to any participation in the jackpot pool.~~
- ~~No Person shall disclose the number of winning Twin Trifecta tickets eligible for exchange in the second Twin Trifecta Race, nor shall any person disclose any information regarding those tickets during the exchange process until the Race terminating the Twin Trifecta has been declared official.~~
8. ~~The jackpot pool as described under subdivision (2) shall be distributed in the same manner as an ordinary trifecta to the holders of Twin Trifecta exchange tickets selecting the first three Greyhounds in order in the second designated Twin Trifecta Race.~~
9. ~~In the event no Twin Trifecta ticket is issued selecting the officially declared first three finishers of the second Twin Trifecta Race in the exact order of finish, the jackpot pool as described under subdivision (2) of this subsection shall be carried over to the next consecutive Twin Trifecta performance and combined with that performance's jackpot pool until any of the following occur:~~
- (a) ~~A Twin Trifecta ticket is issued designating in the exact order of finish the first three officially declared finishers of a second Twin Trifecta Race.~~
- ~~(b) The maximum amount permitted to accumulate in the Twin Trifecta jackpot pool pursuant to subsection (h) below is reached during a performance in which no one holds a winning ticket for the second trifecta Race. When this occurs the value of the jackpot pool reached during that performance will be carried over from performance to performance until a Twin Trifecta ticket is issued designating in the exact order of finish the first three (3) officially declared finishers of the second Twin Trifecta Race. While this maximum jackpot pool is being carried over, the consolation pool shall be awarded as under subdivision (2) above of this subsection, but there shall be two optional methods of distributing the share of net wagers ordinarily increasing the jackpot pool:~~

(i) Option 1

Total net Twin Trifecta wagers ordinarily increasing the jackpot pool are awarded equally to holders of exchange tickets on the second Race of the Twin Trifecta races until there is either

a winner(s) on the second Twin Trifecta Race or until the last performance of the last Meeting in any calendar year (see subparagraph (c) below).

~~If no exchange tickets can be issued, the performance's jackpot pool shall be distributed to the winners of the consolation pool as defined in subsection above.~~

(ii) Option 2

~~The share of total wagers ordinarily increasing the jackpot pool shall be placed in a seed pool. This pool shall accumulate until:~~

- ~~a. A winning Twin Trifecta ticket on the second Race is issued.~~
- ~~b. The seed pool exceeds the maximum allowed for the jackpot pool,~~
- ~~c. The seed pool has been incremented for nine (9) performances, or~~
- ~~d. The last performance of the last Meeting in a calendar year has concluded, unless otherwise permitted by the Commission, whichever comes first.~~

~~Wagering in the last performance of the last Meeting in a calendar year is discussed in subparagraph (c) below.~~

~~If a winning Twin Trifecta ticket on the second Race is issued at a time when the seed pool is in existence, the jackpot pool shall be awarded to the Winner(s) and the seed pool shall become the jackpot pool for the next performance.~~

~~If the seed pool exceeds the maximum allowed for the jackpot pool, in all subsequent performances up to the tenth without winner(s), the performance's jackpot pool shall be awarded to holders of exchange tickets on the second Twin Trifecta Race. If no exchange tickets can be issued, the performance's jackpot pool as defined in subsection (g) (4) above.~~

~~If the maximum jackpot pool has been carried over for nine (9) consecutive performances without winner(s), at the tenth performance the jackpot pool must be distributed, either to winner(s) on exchange tickets or equally to all holders of exchange tickets if there is no winner(s). If no exchange tickets can be issued, the performance's jackpot pool shall be distributed to winners of the consolation pool as defined in subsection (g) (4) above. The seed pool then becomes the jackpot pool for the next subsequent performance with a Twin Trifecta Race.~~

~~(c) The last Twin Trifecta Race of the last performance of the last Meeting in a calendar year is concluded, in which case the jackpot pool shall be distributed to holders of Twin Trifecta tickets selecting in exact order, the first three Greyhounds in the second Twin Trifecta race. Notwithstanding subdivision (4) above of this subsection, if there is a failure to select, in order, the first three (3) Greyhounds, pay off shall be made equally to all holders of exchange tickets on that Race. If no exchange tickets can be issued, the performance's jackpot pool shall be distributed to winners of the consolation pool as defined in section (g) (4) above. The term~~

~~"Jackpot Pool" as used in the subsection shall be considered to include the "seed pool" if Option 2 in subparagraph (b) above has been selected.~~

~~If no further Twin Trifecta wagers are scheduled or planned to be held at said facility, a special Race shall be held, upon permission from the Commission, and the jackpot, seed pool and net total performance's wagers shall be distributed at said special Race under the provisions of subsection (g) (4) above, except that failure to select the winner shall result in an equal distribution of the jackpot and seed pools and the net total performance's wagers to all ticket holders.~~

~~H. Pool Limitation: The Commission shall set a maximum value to which the jackpot pool may accumulate as described under subsection (g) (9) above. Where the maximum value is reached during the wagering on Twin Trifecta Races, such wagering may continue, and the maximum of one half the amount of the net pool wagered in that performance on the Twin Trifecta.~~

~~I. Scratched or excused Greyhounds:~~

~~1. If a Greyhound is Scratched or excused from the first Race of the Twin Trifecta, all Twin Trifecta tickets including that Greyhound shall be deducted from the total net Twin Trifecta pool and the money paid for said tickets refunded upon surrender of the Twin Trifecta tickets.~~

~~2. If a Greyhound is Scratched in the second Race of the Twin Trifecta races, public address announcements will be made and reasonable time will be given for the exchange of tickets on the Scratched Greyhound. For the second Race of the Twin Trifecta only, all Greyhounds will be considered "official Starters" once the starting box has opened.~~

~~J. Dead Heats: In the event of a dead heat or dead heats in either the first or second Race of the Twin Trifecta, all Twin Trifecta tickets selecting the correct order of finish counting a Greyhound in a dead heat as finishing in any position dead heated shall be winning tickets.~~

~~K. Cancellation of Race:~~

~~1. If the first Race of a Twin Trifecta is cancelled or declared by the judges no Race, the Association shall make a complete refund of the Twin Trifecta pool wagered on that performance upon surrender of the Twin Trifecta tickets purchased.~~

~~2. If the second Race of a Twin Trifecta is cancelled or declared by the judges no race, after the first Race of the Twin Trifecta has been run, that portion of the jackpot pool attributable to that performance's Twin Trifecta wagering shall be equally distributed to holders of exchange ticket. The cumulative jackpot pool will remain undistributed and be carried over for use in the next Twin Trifecta.~~

~~L. Designation of Races: Races which are to be Twin Trifecta Races shall be approved by the Commission and must be clearly designated to the wagering public as Twin Trifecta Races in~~

~~the program for a performance. Twin Trifecta wagers may only be accepted on those Races specifically designated as Twin Trifecta Races.~~

- ~~M. — Hold Tickets: Tickets should be retained until the payoffs have been declared official.~~
- ~~N. — Denomination of Tickets: Twin Trifecta tickets may be sold only from machines capable of issuing three Program numbers and only in denominations approved by the Commission which shall not be less than \$2.00 per ticket.~~
- ~~O. — Betting Windows: The Commission shall approve the number of pari-mutuel windows and the location of such windows utilized for Twin Trifecta wagering.~~
- ~~P. — Tickets Non Transferable: Exchange tickets shall be non-transferable. This rule shall be conspicuously posted at all Twin Trifecta Windows. Holders of transferred exchange tickets shall not be entitled to any winnings. Persons involved in the unauthorized transfer of exchange tickets shall be ejected from the pari-mutuel facility.~~
- ~~Q. — Minimum Entries: There must be at least eight (8) Greyhounds entered in each Twin Trifecta race, provided however, subject to other no Race Rules, a Twin Trifecta Race with no less than seven (7) Starters may be run.~~
- ~~R. — Option Election: The election of jackpot distribution method to be used pursuant to subsection (g) (9) of this section shall be requested of the Commission by written application of the Association no less than thirty (30) Days prior to the initiation of the Twin Trifecta games. Such election may be changed upon written application to the Commission and such change, if approved, shall be effective at such time as the Commission may determine.~~

Section 44 — Double Quiniela

- ~~(c) — RULES PROMINENTLY DISPLAYED: The rules for double quiniela shall be prominently displayed within the facility and a summary printed in the program.~~
- ~~(d) — DEFINITION:
 - ~~1. — The quiniela is a contract by the purchaser of a ticket combining two (2) Greyhounds in a single race, selecting the first two finishers as officially posted in either order, such as 1-2 or 2-1.~~~~

2. ~~The double quiniela is a form of pari-mutuel wagering. It consists of selecting the quiniela (the first two Greyhounds to finish) of each of two (2) consecutive Greyhound races. Pari-mutuel wagering tickets are to be sold for both of the two (2) consecutive races prior to the first Race of the two (2) consecutive races, without any exchange of tickets between the first and second Race. The division of the pool shall be calculated as in a straight pool, subject to the provisions of these Rules to the contrary~~
- (e) ~~NOT A PARLAY: The double quiniela is not a "parlay" and has no connection with or relation to any other pool, and is not part of win, place, or show pools, daily double, perfecta, trifecta, quiniela, superfecta or other wagering pool. All tickets will be calculated in an entirely separate pool.~~
- (f) ~~DENOMINATION OF TICKETS: Double quiniela tickets shall be sold for not less than \$2.00. Resale of such tickets from one individual to another is prohibited and shall be grounds for ejection.~~
- (g) ~~PURCHASE OF TICKETS: Each bettor purchasing double quiniela tickets shall designate his or her selection in both of the two (2) consecutive Races for which such tickets are sold at the time he or she purchases the double quiniela ticket(s) as the first two (2) Greyhounds, to finish in each of the two (2) consecutive Races.~~
- (h) ~~PAYMENT OF POOL:~~
- (1) ~~Double Quiniela pool shall be paid to the holders of tickets of winning combinations in both the first and second races of a double quiniela.~~
- (2) ~~If no double quiniela ticket is sold as a winning combination in both Races, the pool shall be paid to the holders of tickets with the winning combination in the first Race with either the Greyhound finishing first or second in the second Race, in the same manner in which a place pool is calculated and distributed.~~
- (3) ~~If no double quiniela ticket is sold as a winning combination in the first Race of the double quiniela, the entire double quiniela pool will be paid to the holders of tickets with the winning combination in the second Race at the double quiniela.~~
- (4) ~~If no double quiniela ticket is issued on the winning combination in the second Race of the double quiniela, the net pool shall be distributed to holders of tickets including the Greyhound finishing first and holders of tickets including the Greyhound finishing second in the same manner in which a place pool is calculated and distributed.~~
- (5) ~~If a double quiniela ticket combines only one (1) of the two (2) winners in the second Race and no double quiniela ticket combines the other winner, the entire pool shall be distributed as a straight pool to the holders of those tickets.~~

- ~~(6) — If no ticket includes either the first or second Greyhound of the second half of the double quiniela, the entire net pool shall be distributed as a straight pool to all holders of tickets with winning combinations of the first half.~~
- ~~(7) — If a Greyhound is Scratched in the first of the double quiniela races, all double quiniela tickets sold on the Scratched Greyhound will be refunded.~~
- ~~(8) — If a Greyhound is Scratched in the second Race of the double quiniela, before the running of the first Race of the double quiniela, all double quiniela tickets sold with the Scratched Greyhound will be refunded.~~
- ~~(9) — If a Greyhound is Scratched in the second Race of the double quiniela, after the first Race of the double quiniela has been run, all tickets combining the Scratched Greyhound shall become consolation tickets and shall be paid a price per dollar denomination calculated as follows: The net double quiniela pool (gross pool less commission) shall be divided by the total purchase price of all tickets combining the winners of the first Race of the double quiniela. The quotient thus obtained shall be the price to be paid to holders of tickets combining the Scratched Greyhound in the second Race of the double quiniela. The entire consolation pool (number of eligible tickets times the consolation price) plus the breakage shall be deducted from the double quiniela pool.~~
- ~~(10) — In the event of a dead heat for place in the first Race of the double quiniela races, all double quiniela tickets combining the first Greyhound and either of the Place Greyhounds shall be considered eligible for participation in the second Race of the double quiniela.~~
- ~~(11) — In the event of a dead heat for place in the second Race of the double quiniela races, the double quiniela pool shall be divided, calculated and distributed as a Place pool to the holders of double quiniela tickets combining the first Greyhound and either of the Place Greyhounds in the second Race. In the event of a dead heat for Place in the second Race and there are not tickets sold on one (1) combination, then the other combination having winning Greyhounds shall be declared the winner.~~
- ~~(12) — If no tickets combine the winning Greyhound in the second Race with either of the Greyhounds in the dead heat for Place, the net double quiniela pool shall be paid to holders of tickets including any of the three win/ place Greyhounds as in a win, place or show pool. However, if any tickets combine both of the Greyhounds in the dead heat for place, the net pool shall be paid to holders of such tickets.~~

- ~~(h) **CALCULATION AND DISTRIBUTION OF POOLS:** The superfecta shall be calculated and distributed as follows: the net pool divided by the amount wagered on the winning combinations determines the payoff per dollar bet, including profit and wager.~~
- ~~(i) **IF LESS THAN FOUR GREYHOUNDS FINISH:** If only three (3) Greyhounds finish, payoff shall be made on tickets selecting the actual finishing greyhounds in order, ignoring the balance of the selection.~~

Section 49 ————— ***Super-Seven***

(b) ~~PERMITTED~~: In accordance with this section, an Association may not hold more than one (1) super seven in a single performance.

(c) ~~RULES PROMINENTLY DISPLAYED~~: Rules for the super seven shall be prominently displayed within the facility and pertinent portions thereof shall be printed in all Programs.

(d) ~~DEFINITION~~: The super seven is a form of pari-mutuel wagering in which the purchaser of a ticket selects in order the winners of seven (7) consecutive Races designated and advertised as a super seven Race.

(e) ~~SEPARATE POOL~~: The super seven has no connection with any other pool. All tickets will be calculated in an entirely separate pool.

(f) ~~PROGRAM NUMBERS~~: Selections are made by Program numbers only. These represent the Post Positions of the Greyhounds.

(g) ~~SCRATCHED OR EXCUSED GREYHOUNDS~~: In the event a Greyhound has been Scratched from the super seven races between the time a customer has placed their super seven wager, and off time for the first race of the super seven Races, the first Race of the super seven will be delayed until such time as the customer has had the opportunity to void their tickets with the Scratched Greyhound and make new selection.

(h) ~~LATE SCRATCHED GREYHOUNDS~~: In the event of a late Scratch after cessation of wagering on the super seven for that performance, as per Judges' orders, and the Scratched Greyhound has been selected to win on super seven tickets, it may in some cases cause a consolation payoff to those persons having the Scratched Greyhound amongst their selections. One half of the amount representing the purchase price of the ticket with the Scratched Greyhound shall be deducted from each of the super seven pools. All of the deducted monies shall then be put into a net consolation pool. If the withdrawn tickets with the Scratched greyhound do not qualify for the super seven consolation pool, they may qualify for the late "Scratched consolation pool" which will be paid to those ticket holder(s) selecting the most winners and the Scratched Greyhound.

Example: On a \$2.00 straight ticket which includes a late Scratch racer as one of the

~~Race selections, one dollar shall be deducted from the super seven pool and the other dollar deducted from jackpot pool, thereby creating a “Scratched consolation pool.”~~

~~(i) CALCULATION AND DISTRIBUTION OF A POOL~~

- ~~1. The net super seven pool for a performance shall be divided in half, one half representing the consolation pool and the other half added to the jackpot pool.~~
- ~~2. The combined consolation and jackpot pools shall be paid to the purchasers of tickets designating all seven (7) winners in the super seven.~~
- ~~3. Should no super seven tickets be sold in a pool designating all seven (7) winners, the consolation pool shall be distributed to the holder(s) of tickets designating the highest number of winners, and the jackpot pool shall be carried over from super seven performance to super seven~~

~~(A) A super seven ticket is sold designating all seven winners in a super seven pool.~~

~~(B) The maximum amount permitted to accumulate in a super seven pool pursuant to subsection (i) is reached during a performance in which no tickets listing the winners has been issued. When this occurs the value of the jackpot pool reached during that performance will be carried over from performance to performance until either a winning super seven ticket (Naming all seven winner) has been issued or until the last performance of the last Meeting in any calendar year has been completed (see section below) or as outline in subparagraph C below. While this maximum jackpot pool is being carried over, the consolation pool shall continue to be awarded as above.~~

~~(C) When the maximum jackpot pool, as established by paragraph J is reached the share of total wagers ordinarily increasing the jackpot pool, shall be placed in seed pool. This pool shall accumulate until:~~

- ~~1. A winning super seven ticket designating all seven super seven winners is sold on the established jackpot pool.~~
- ~~2. The seed pool exceeds \$50,000.00~~
- ~~3. When the seed pool exceeds \$50,000.00, the jackpot pool will be given away within the next nine (9) performances as designated by the Licensee in the following manner:~~
 - ~~(a) To the holders of a winning super seven ticket designating all seven super seven winners.~~
 - ~~(b) In the event that there are no winning tickets as established in the above, then to holder(s) of tickets designating the highest number of winners in the~~

~~super-seven Races.~~

~~(c) When the original jackpot pool is being forced out (after the seed pool exceeds \$50,000.00 and on the performance designated by the licensee) the jackpot and all monies wagered in the super seven that day will be paid out in accordance with (a) and (b) above.~~

~~(d) When the seed pool exceed \$50,000.00 all monies wagered in the super seven during the period until the designated performance forcing the jackpot pool out will be paid and/or added to the seed pool in accordance with (i) 1, 2 and 3, above.~~

~~4. When the jackpot pool has been hit or given away, the seed pool shall become the new jackpot pool.~~

~~(D) If the jackpot pool should be hit while a seed pool is being accumulated, the net performance super seven pool shall be added to the jackpot pool and will be distributed to holders of tickets designating all seven (7) winners.~~

~~(E) If the jackpot pool should be given away for any reason the net performances super seven pool shall be added to the jackpot pool and will be distributed to the holders of tickets designating the highest number of winners.~~

~~————— If no further super seven contests are scheduled or planned to be held at said facility, a special performance shall be held upon permission from the Director of Pari-Mutuel Wagering and the carried over jackpot and seed pools, if any, and the net total performance's super seven wagers shall be distributed to the holders of tickets designating the highest number of winners.~~

~~(j) POOL LIMITATIONS: The Commission shall set a maximum value of \$100,000.00 to which the jackpot pool may accumulate. Where this maximum value is reached during the wagering on a super seven performance, wagering on that performance may continue, but the maximum value set by the Commission may be exceeded by only a maximum of one half the amount wagered on the super seven after the maximum jackpot value has been attained. Super seven distribution is then effected as under subsection (i) above.~~

~~As an illustration, suppose the Commission set a maximum pool value of \$100,000 and on a particular day the carried over jackpot pool is equal to \$90,000. Net wagering on the super seven that day amounts to \$40,000.00. The jackpot pool is then \$110,000.00 and the consolation pool is \$20,000.00. If no one picks all seven (7) winners of the super seven races, then the \$110,000.00 jackpot is carried over. At the next performance suppose a net of \$40,000.00 is again wagered on the super seven in this event, the jackpot pool will remain at \$110,000.00. If no one picks all seven (7) winners, \$20,000.00 will be distributed as a consolation pool to the holders of tickets designating the highest number of winners and the remaining \$20,000.00 of the net pool will go into a seed pool.~~

~~(k) CANCELLATION OF RACES:~~

~~1. If three (3) or more of the designated super seven Races are cancelled or declared not Race, by the Judges, the Association shall make a complete refund of the super seven pool upon surrender of the super seven tickets purchased.~~

~~2. If one (1) or two (2) Races of the designated Super Seven races is cancelled or declared no race by the judges, the entire amount wagered in the Super Seven for that performance shall be distributed to the holders of the tickets designating the highest number of winners of the Races run. There shall be no participation in the jackpot pool, and it shall be carried over.~~

~~(m) CESSATION OF WAGERING: Wagering on the super seven pool shall cease at off time of the first Race of the super seven series.~~

~~(n) DESIGNATION OF RACES: Races which are included in the super seven pool shall be approved by the Director of Pari Mutuel Wagering. Super seven Races must be clearly designated as such to the wagering public in the program for each performance, and super seven wagers may only be accepted on those races specifically designated as super seven Races.~~

~~(o) HOLD TICKETS: Tickets should be retained until the payoffs have been declared official.~~

~~(p) DENOMINATION OF TICKETS: Super seven tickets shall be sold only from machines capable of using seven (7) Program numbers, and only in denominations approved by the Commission which shall not be less than \$2.00 per combination.~~

~~(s) The Totalizator Company shall program its computer equipment so that no information regarding winners in the super seven races shall be available on printout until the culmination of the seventh super seven Race. If for any reason the computer manager deems such information necessary for any reason, any intrusion into the system shall be viewed by a representative of management and the State Racing Commission.~~

- ~~(t) DEAD HEATS: In the event of a dead heat for a win in any super seven Race, all Greyhounds so dead heated shall be considered as the winner.~~
- ~~(u) MINIMUM ENTRIES: There shall be at least (8) Greyhounds entered in each Super Seven Race. There shall be at least six (6) Greyhounds from completely different kennels in each Super 7 Race. When the Jackpot pool reaches the maximum of \$100,000 all eight (8) Greyhounds shall represent completely different kennels.~~
- ~~(v) REFUND: Should no super seven ticket be sold designating any of the winner of the seven designated super seven races, the Association shall make a complete refund of the super seven pool wagered on that performance upon surrender of the super seven tickets purchased.~~
- ~~(w) ALL GREYHOUNDS: All Greyhounds which are entered into any Race comprising super seven wagering shall be subject to chemical testing by virtue of urinalysis examination which shall be conducted by State Regulatory personnel with the same restrictions as contained in Rules stated herefore.~~
- ~~(x) In the event a super seven ticket designates as a selection to win in any one (1) or more of the Races comprising the super seven, a single wagering interest which is Scratched, excused or determined by the Judges to be a non Starter in the Race, after cessation of the wagering on the super seven for that performance; the actual favorite, as evidenced by the amounts wagered in the win pool at the time of the start, shall be substituted for the non starting selection for all purposes, including pool calculations and payoffs; provided further that in event that the win pool for two (2) or more favorites is identical, the selection in the lowest Program position shall be substituted for the non starting selection.~~
